ASSIGNMENT

We, Diane L. Colgan, Thomas Jacobs, James H. Layer, and Kenneth Solovay for valuable consideration received from GMP Surgical Solutions, Inc., a corporation of the State of Delaware, having its principal place of business at One East Broward Blvd., Suite 1701, Ft. Lauderdale, FL 33301, the receipt of which is hereby acknowledged, do hereby sell, assign and transfer unto said

GMP SURGICAL SOLUTIONS, INC.

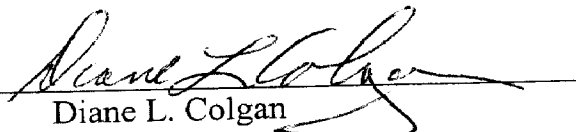

its successors and assigns, the entire interest for the United States of America and all foreign countries including all rights of priority under the International Convention for the Protection of Industrial Property in a certain invention or improvement entitled:

Fiberoptic Lighting Accessory

The invention or improvement being described in application Serial No: Serial No: 09/910,191 filed on July 20, 2001, in the United States Patent and Trademark Office, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said inventions, or any parts thereof, or on said applications, or any divisional, continuing, reissue or other applications based in whole or in part thereon. And we agree, for ourselves and our executors and administrators, with said corporation and its successors, and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deed or other instrument, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to said corporation, with specifications and claims in such form as shall be approved by the counsel of said corporation and to vest and confirm in said corporation, its successors and assigns, the legal title to all such patents.

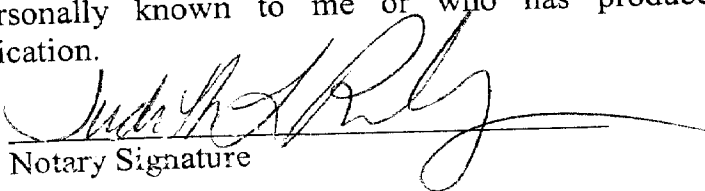

And we do hereby authorize and request the Commissioner of Patents and Technology of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said corporation, its successors and assigns.

WITNESS my hand this 2 day of October, 2001.
