ASSIGNMENT OF INVENTION

WHEREAS, I, Kenneth Kensey, residing at 8 Hickory Lane, Chester Springs, PA 19425, have made a certain new and useful invention in the DUAL RISER/SINGLE CAPILLARY VISCOMETER, and have filed an application for Letters Patent of the United States Patent and Trademark Office on November 12, 1999, and assigned Application Serial No. 09/439,795;

WHEREAS, I, Kenneth Kensey, am the President of VISCO TECHNOLOGIES, INC.; and

WHEREAS, VISCO TECHNOLOGIES, INC., a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, and having an office and place of business at 75 East Uwchlan Avenue, Suite 103, Exton, Pennsylvania 19341, is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by me during the course of my association with VISCO TECHNOLOGIES, INC., and for one year thereafter, in and throughout the United States, its territories and all countries foreign thereto, and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, Kenneth Kensey, by these presents do sell, assign and transfer unto the said VISCO TECHNOLOGIES, INC., my entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to said invention and any improvements thereon which may be made, conceived or acquired by me during the

course of my association with the said VISCO TECHNOLOGIES, INC., and for one year thereafter, in and to said application for Letters Patent and any and all Letters Patent and extensions thereof of the United States and countries foreign thereto which have been or may be granted on said invention or any part thereof, or any improvements thereon or on said application, or any divisional, continuing, renewal, reissue, or other application and all international priority rights associated therewith, based in whole or in part thereon, or based upon said invention, or any improvements thereon;

TO BE HELD AND ENJOYED by the said VISCO TECHNOLOGIES, INC. and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted or may be granted as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made; and I do hereby authorize and request the Assistant Commissioner for Patents and Trademarks to issue any and all Letters Patent which may be granted upon the said invention above referred to, or any of them, or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived or acquired by me during the course of my association with the said company and for one year thereafter, to said VISCO TECHNOLOGIES, INC., and I hereby agree for myself, my heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by the Assignee herein named, fully to secure to the said Assignee its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent,

or any of them.

I do hereby covenant for myself and my legal representatives, and agree with VISCO TECHNOLOGIES, INC., and its legal representatives, that I have granted no license to make or sell the said invention, that prior to the execution of this deed my right, title and interest in the said invention have not been encumbered, that I then had good right and title in and to the invention and that I have not executed and will not execute any instrument in conflict therewith.

IN WITNESS WHEREOF, I have hereunto affixed my hand and seal this 10th day of January, 2000.

WHEREAS, I, William N. Hogenauer, am a Consultant of VISCO TECHNOLOGIES, INC.;

WHEREAS, VISCO TECHNOLOGIES, INC., a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, and having an office and place of business at 75 East Uwchlan Avenue, Suite 103, Exton, Pennsylvania 19341, is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by me during the course of my association with VISCO TECHNOLOGIES, INC., and for one year thereafter, in and throughout the United States, its territories and all countries foreign thereto, and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, William N. Hogenauer, by these presents do sell, assign and transfer unto the said VISCO TECHNOLOGIES, INC., my entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to said invention and any improvements thereon which may be made, conceived or acquired by me during the

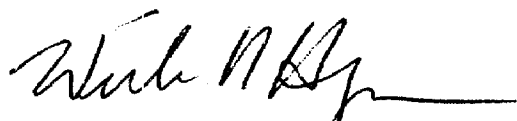

course of my association with the said VISCO TECHNOLOGIES, INC., and for one year thereafter, in and to said application for Letters Patent and any and all Letters Patent and extensions thereof of the United States and countries foreign thereto which have been or may be granted on said invention or any part thereof, or any improvements thereon or on said application, or any divisional, continuing, renewal, reissue, or other application and all international priority rights associated therewith, based in whole or in part thereon, or based upon said invention, or any improvements thereon;

TO BE HELD AND ENJOYED by the said VISCO TECHNOLOGIES, INC. and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted or may be granted as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made; and I do hereby authorize and request the Assistant Commissioner for Patents and Trademarks to issue any and all Letters Patent which may be granted upon the said invention above referred to, or any of them, or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived or acquired by me during the course of my association with the said company and for one year thereafter, to said VISCO TECHNOLOGIES, INC., and I hereby agree for myself, my heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by the Assignee herein named, fully to secure to the said Assignee its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent,

or any of them.

I do hereby covenant for myself and my legal representatives, and agree with
VISCO TECHNOLOGIES, INC., and its legal representatives, that I have granted no
license to make or sell the said invention, that prior to the execution of this deed my right,
title and interest in the said invention have not been encumbered, that I then had good
right and title in and to the invention and that I have not executed and will not execute any
instrument in conflict therewith.

ASSIGNMENT OF INVENTION

WHEREAS, I, Sangho Kim, a citizen of Korea, residing at 1102 Spruce St., Philadelphia, PA 19107, am a Ph.D. candidate at Drexel University, a Pennsylvania non-profit corporation having offices at 3141 Chestnut Street, Philadelphia, PA 19104;

WHEREAS, Dr. Young Cho, an individual residing at 132 Renaissance Drive, Cherry Hill, NJ 08003, an employee of Drexel University, with the knowledge and consent of Drexel University has acted as consultant to VISCO TECHNOLOGIES, INC., a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, and having an office and place of business at 75 Uwchlan Avenue, Suite 103, Exton, Pennsylvania 19341;

WHEREAS, I, Sangho Kim, with the knowledge and consent of Drexel University have assisted Dr. Young Cho in his consulting activities on behalf of VISCO TECHNOLOGIES, INC.;

WHEREAS, pursuant to such activities on my part, I, Sangho Kim, along with Kenneth Kensey and William N. Hogenauer, have made a certain new and useful invention in the DUAL RISER/SINGLE CAPILLARY VISCOMETER, and have filed an application for Letters Patent of the United States Patent and Trademark Office on November 12, 1999, and assigned Application Serial No. 09/439,795;

WHEREAS, VISCO TECHNOLOGIES, INC. is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by me during the course of my relationship with VISCO

TECHNOLOGIES, INC., and for one year thereafter, in and throughout the United States, its territories and all countries foreign thereto, and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon; and

WHEREAS, VISCO TECHNOLOGIES, INC., and Drexel University have entered into a written agreement acknowledging that all right, title and interest to the invention and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon are solely in VISCO TECHNOLOGIES, INC.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, Sangho Kim, by these presents do sell, assign and transfer unto the said VISCO TECHNOLOGIES, INC. my entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to said invention and any improvements thereon which may be made, conceived or acquired by me during the course of my relationship with the said VISCO TECHNOLOGIES, INC., and for one year thereafter, in and to said application for Letters Patent and any and all Letters Patent and extensions thereof of the United States and countries foreign thereto which have been or may be granted on said invention or any part thereof, or any improvements thereon or on said application, or any divisional, continuing, renewal, reissue, or other application and

all international priority rights associated therewith, based in whole or in part thereon, or based upon said invention, or any improvements thereon;

TO BE HELD AND ENJOYED by the said VISCO TECHNOLOGIES, INC. and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted or may be granted as fully and entirely as the same would have been held and enjoyed by me, had no sale and assignment of said interest been made; and I do hereby authorize and request the Assistant Commissioner for Patents and Trademarks to issue any and all Letters Patent which may be granted upon the said invention above referred to, or any of them, or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived or acquired by me during the course of my relationship with said VISCO TECHNOLOGIES, INC. and for one year thereafter, to said VISCO TECHNOLOGIES, INC., and I hereby agree for myself, my heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by the Assignee herein named, fully to secure to the said Assignee its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent, or any of them.

I do hereby covenant for myself and my legal representatives, and agree with VISCO TECHNOLOGIES, INC., and its legal representatives, that I have granted no license to make or sell the said invention, that prior to the execution of this deed my right, title and interest in the said invention has not been encumbered, that I then had good right

and title in and to the invention and that I have not executed and will not execute any instrument in conflict therewith.

ASSIGNMENT OF INVENTION

WHEREAS, I, Young Cho, an individual residing at 132 Renaissance Drive, Cherry Hill, NJ 08003 am an employee of Drexel University, a Pennsylvania non-profit corporation having offices at 3141 Chestnut Street, Philadelphia, PA 19104;

WHEREAS, I, Young Cho, with the knowledge and consent of Drexel University have acted as consultant to VISCO TECHNOLOGIES, INC., a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, and having an office and place of business at 15 Uwchlan Avenue, Suite 414, Exton, Pennsylvania 19341;

WHEREAS, pursuant to acting as consultant to VISCO TECHNOLOGIES, INC., I, Young Cho, along with Kenneth Kensey, William N. Hogerauer and Sangho Kim, have made a certain new and useful invention in the DUAL RISER/SINGLE CAPILLARY VISCOMETER, have filed an application for Letters Patent of the United States Patent and Trademark Office on November 12, 1999 and assigned Application Serial No. 09/439,795;

WHEREAS, VISCO TECHNOLOGIES, INC. is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by me during the course of my relationship with VISCO TECHNOLOGIES, INC., and for one year thereafter, in and throughout the United States, its territories and all countries foreign thereto, and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon; and

WHEREAS, VISCO TECHNOLOGIES, INC., and Drexel University have entered into a written agreement acknowledging that all right, title and interest to the invention and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon are solely in VISCO TECHNOLOGIES, INC.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, Young Cho, by these presents do sell, assign and transfer unto the said VISCO TECHNOLOGIES, INC. my entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to said invention and any improvements thereon which may be made, conceived or acquired by me during the course of my relationship with the said VISCO TECHNOLOGIES, INC., and for one year thereafter, in and to said application for Letters Patent and any and all Letters Patent and extensions thereof of the United States and countries foreign thereto which have been or may be granted on said invention or any part thereof, or any improvements thereon or on said application, or any divisional, continuing, renewal, reissue, or other application and all international priority rights associated therewith, based in whole or in part thereon, or based upon said invention, or any improvements thereon;

TO BE HELD AND ENJOYED by the said VISCO TECHNOLOGIES, INC. and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted or may be granted as fully and entirely as the same would have been held and enjoyed by me, had no sale and assignment of said interest

been made; and I do hereby authorize and request the Assistant Commissioner for Patents and Trademarks to issue any and all Letters Patent which may be granted upon the said invention above referred to, or any of them, or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived or acquired by me during the course of my relationship with said VISCO TECHNOLOGIES, INC. and for one year thereafter, to said VISCO TECHNOLOGIES, INC., and I hereby agree for myself, my heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by the Assignee herein named, fully to secure to the said Assignee its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent, or any of them.

I do hereby covenant for myself and my legal representatives, and agree with VISCO TECHNOLOGIES, INC., and its legal representatives, that I have granted no license to make or sell the said invention, that prior to the execution of this deed my right, title and interest in the said invention has not been encumbered, that I then had good right and title in and to the invention and that I have not executed and will not execute any instrument in conflict therewith.

IN WITNESS WHEREOF, I have hereunto affixed my hand and seal this 7th day
