THIS RELEASE OF COLLATERAL ASSIGNMENT OF PATENTS AND ASSIGNMENT is entered into as of this ~~21~~ day of August 2001 (the "Release and Assignment"), by and between Sentinel Products Corp, a New York corporation ("Sentinel") and Citizens Business Credit Company, a division of Citizens Leasing Corporation, a Rhode Island corporation (the "Lender").

RECITALS

A. Sentinel and the Lender entered into a Credit Agreement dated October 16, 1998 (the "Credit Agreement").

B. As security for repayment of the obligations under the Credit Agreement, Sentinel assigned to the Lender for collateral purposes and granted to the Lender a security interest in all inventions (whenever conceived, whether or not reduced to practice, and whether or not patentable), patents, patent rights, patent applications, computer programs and computer software, all whether now or hereafter owned by Sentinel, and all proceeds of the foregoing (including but not limited to all royalties and license fees due, accrued or arising in connection with any of the foregoing), and all rights to enforce or sue and/or recover for any past, present or future infringement of any of the foregoing owned by Sentinel (the "Collateral") pursuant to a Notice of Collateral Assignment of Patents dated October 16, 1998 (the "Collateral Assignment"), a copy of which Collateral Assignment is attached to this Release and Assignment as Exhibit A, and a Security Agreement entered into by and between Sentinel and the Lender dated as of October 16, 1998 (the "Security Agreement" and together with the Collateral Assignment, the "Security Documents").

C. Sentinel has fulfilled all of its obligations under the Credit Agreement, and desires that the Lender release its interest in and to the Collateral and assign its interest in and to the Collateral to Sentinel.

D. The Lender is willing to release its interest in and to the Collateral and to assign its interest in and to the Collateral to Sentinel.

NOW, THEREFORE, based upon the foregoing, Sentinel and the Lender agree as follows:

1. Release of Collateral. Pursuant to this Release and Assignment, the Lender releases and discharges any and all security interests granted to the Lender by Sentinel in the Collateral (if any) pursuant to the Security Documents.
2. Assignment of Collateral. Pursuant to this Release and Assignment, the Lender irrevocably assigns to Sentinel all of its right, title and interest in the Collateral,

solely to the extent that any such right, title or interest was and remains vested in the Lender pursuant to the Security Documents.

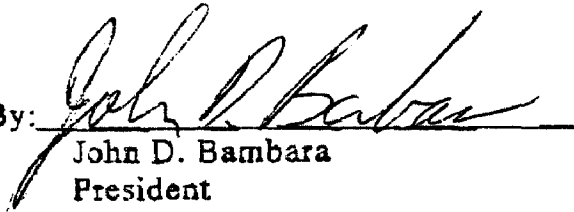

3. Limitation of Release and Assignment. Notwithstanding any other provision herein, this Release and Assignment is limited to a release of any right, title or interest granted to the Lender pursuant to the Security Documents in Collateral owned by Sentinel as of the date hereof. The Lender does not release or assign any right, title or interest held by the Lender in any Collateral which is owned by Collect LLC ("Collect") as of the date hereof, including Collateral which was previously owned by Sentinel and has since been transferred to Collect.
