A S S I G N M E N T

WHEREAS, Solid State Computers, Inc. hereinafter referred to as the "Assignor", a corporation of the State of Pennsylvania, having a place of business at Rear 410 East Diamond Avenue, Hazleton, Pennsylvania 18201, is the sole owner of certain inventions or improvements for which it has made Application for Letters Patent to the United States Serial Number 08/153,590, filed on November 17, 1993, titled DOOR CONTROL SYSTEM AND RELEASE MECHANISM; and

WHEREAS, Solid State Securities, Inc., hereinafter referred to as the "Assignee", a corporation of the State of Pennsylvania, having a place of business at Rear 410 East Diamond Avenue, Hazleton, Pennsylvania 18201, is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to the said application, and in, to and under any and all Letters Patents which may be granted on or as a result thereof in any and all countries;

NOW, THEREFORE, for and in consideration of the sum of one dollar (\$ 1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over to Assignee the entire right, title and interest in and to said inventions or improvements and said application and any and all continuations, divisions and renewals of and substitutes for said application, and in, to and under any and all additional Letters Patents which may be granted on or as a result thereof in the United States and any and all other countries, and any reissue or reissues or extension or extensions of said Letters Patents, and assign to and authorize Assignee to file in its name applications for Letters Patents in all countries, the same to be held and enjoyed by said Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patents respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by it had this assignment, sale and transfer not been made; and

Assignor hereby covenants that it has full right to convey the entire interest herein assigned, and that it has not executed and will not execute any agreement in conflict herewith, and it further covenants and agrees that it will each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said Assignee, its successors, assigns, nominees, or legal representatives, and it agrees to communicate to Assignee or to its nominee

all known facts respecting said inventions or improvements, said application and said Letters Patents, to testify in any legal proceedings, to sign all lawful papers to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid said Assignee, its successors, assigns, nominees, and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said inventions or improvements in any and all countries, all at the expense, however, of said Assignee, its successors, assigns, nominees or legal representatives; and

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to said Assignee the entire right, title and interest, any and all Letters Patents for said inventions or improvements, including any and all Letters Patents of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.

IN WITNESS WHEREOF, Assignor has hereunto set its hand and seal.
