ASSIGNMENT

WHEREAS PRECISION DRILLING CORPORATION (hereinafter called the "Assignor"), of Calgary, Alberta, holds the entire right, title and interest in and to certain inventions or improvements described and claimed in the United States Letters Patent entitled:

United States Letter Patent Number 5,337,821 issued August 16, 1994 pertaining to the method and apparatus for the Flow Rate Testing Tools owned by AQRIT Industries Ltd.

AND WHEREAS, COMPUTALOG LTD., (hereinafter called the "Assignee") whose full post office address is 4500, 150 - 6th Avenue S.W., Calgary, Alberta, T2P 3Y7, is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements, and in and to the said Letters Patent granted on or as a result thereof and in any all Letters Patent which maybe granted in any and all countries;

NOW THEREFORE, in consideration of the sum of ONE (\$1.00) DOLLAR and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor, does hereby sell, assign, transfer and set over to the Assignee the entire right, title and interest in and to the said inventions or improvements and said Letters Patent, and any and all continuations, divisions, renewals of or substitutes therefor and in, to and under any and all Letters Patent which may be granted on or as a result thereof, and any reissue or reissues of said Letters Patent; and does assign to and authorize the Assignee to file applications for Letters Patent for said inventions or improvements in all countries, the same to be held and enjoyed by the Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this assignment, sale and transfer not been made;

AND the Assignor hereby covenants that it has full right to convey the entire interest herein assigned, and that it has not executed and will not execute any agreement in conflict herewith, and it further covenants and agrees that it will, each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, and said Letters Patent, in the Assignee, its successors, assigns, nominees or legal representatives, and it agrees to communicate to the Assignee, or its nominees, all known facts respecting said inventions or improvements, and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid the Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit, proper patent protection for said inventions or improvements in any and all countries. all at the expense, however, of the Assignee or its successors, assigns, nominees or legal representatives;

AND the Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and any official of any country or countries foreign to the United States of America whose duty it is to issue patents as aforesaid, to issue to the Assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said inventions or improvements, which may be issued and granted on or as a result of the aforesaid, in accordance with the terms of this Assignment.
