ASSIGNMENT

WHEREAS I/WE, Richard P. Tracy, Peter A. Smith, both of Ashburn, Virginia, Lon J. Berman of Sterling, Virginia, Gary M. Catlin of Bricktown, New Jersey, David J. Wilson of Ashburn, Virginia, Hugh Barrett of Centreville, Virginia, and Larry L. Hall, Jr. of Sterling, Virginia, have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled **SYSTEM, METHOD AND MEDIUM FOR CERTIFYING AND ACCREDITING REQUIREMENTS COMPLIANCE**, for which an application for United States Letters Patent was filed on February 28, 2001, and identified by United States Serial No. 09/794,386;

AND WHEREAS, Telos Corporation, a corporation of the State of Maryland, and having an address of 19886 Ashburn Rd., Ashburn, Virginia 20147, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, I/We do hereby sell, assign, transfer and set over unto Telos Corporation, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including Provisional Application Serial No. 60/223,982, filed August 9, 2000, any patent applications in the United States and foreign countries, and any original applications, formal applications, continuation applications, continuations-in-part applications, continued prosecution applications, request for continued examination applications, divisional applications, reissue applications, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention, and all rights to claim priority therefrom and/or thereto; and any copyright or designs associated with or in said invention, and all rights of action and damages for any past, present or future infringement relating thereto, including all rights of actions and damages from publication of the patent applications and/or issuance of any patent relating thereto;

UPON SAID CONSIDERATIONS, I/We hereby agree with the said assignee that I/We will not execute any writing or do any act whatsoever conflicting with these presents, and that I/We will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

The undersigned hereby grant(s) the firm of HALE and DORR LLP the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document

AND I/We request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Telos Corporation, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
