ADDRESS TO: Commissioner for Patents
Washington, D.C. 20231

THIS ASSIGNMENT, by ELLEN L. BERG, EUGENE C. BUTCHER & JENNIFER MELROSE (hereinafter referred to as the assignors),
residing in Palo Alto, California, Portola Valley, California and La Honda, California witnesseth:

WHEREAS, the said assignors have invented certain new and useful improvements in:

"PATIENT CLASSIFICATION"

- ☒ for which an application for a United States Patent was filed on 09-13-2001, Application No. 09/952,744.
☐ for which an application for a United States Patent was executed on _____, and

WHEREAS BioSeek, Inc., a corporation duly organized under and pursuant to the laws of
California and having its principle place of business at 863-C Mitten Road, Burlingame, California 94010
(hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to said invention and said
application for Letters Patent of the United States, and in and to any Letters patent or Patents, United States or foreign, to be
obtained therefor and thereon:

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient considerations, the receipt of which is
hereby acknowledged, said assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set
over, unto the assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned
invention, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign
countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of
said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the
Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and behalf and the use and behalf of
its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted,
as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale of assignment not
been made.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal
representatives and assigns, that, at the time of execution and delivery of these presents, said assignors are the sole and lawful owners of
the entire right, title and interest in and to said invention and the application for Letters Patent above-mentioned, and that the same are
unencumbered and that said assignors have good and full right and lawful authority to sell and convey the same in the manner herein set
forth.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal
representatives and assigns, that said assignors will, whenever counsel of said assignee, or the counsel of its successors, legal
representatives and assigns, shall advise that any proceeding in connection with said invention, or said application for Letters Patent, or
any proceeding in connection with Letters Patent for said invention in any country, including interference proceedings, is lawful and
desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of
any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts
necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention,
without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its
successors, legal representatives and assigns.

AND said assignors hereby request the Commissioner of Patents to issue said Letters Patent of the United States to said assignee
as the assignee of said invention and the Letters Patent to be issued thereon for the sole use and behalf of said assignee, its successors,
legal representatives and assigns.
