A S S I G N M E N T

WHEREAS, We, Jules Janick, of West Lafayette, County of Tippecanoe, State of Indiana, and Edwin B. Williams, of Lafayette, County of Tippecanoe, State of Indiana, have invented a certain invention, entitled APPLE TREE NAMED 'Co-op 29', for which we are making application for Letters Patent of the United States, said application having been executed by each of us the same day as set forth next to our respective signatures below; and

WHEREAS, Purdue Research Foundation, a corporation organized under the laws of the State of Indiana, having a place of business at Purdue Univeristy, 1291 Cumberland Avenue, West Lafayette, Indiana 47906, is desires to acquire an interest therein:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we, Jules Janick and Edwin B. Williams, hereby sell, assign and transfer to Purdue Research Foundation, the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights and foreign Plant Breeders Rights, the right to file and prosecute International Applications, including under the Patent Cooperation Treaty, the right to file and prosecute applications under the European Patent Convention, and the right to file and prosecute applications under the International Union for the Protection of New Varieties (UPOV) and the European Community Plant Variety Office (CVPO); said invention, application, letters patent and varieties protection in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Purdue Research Foundation, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to

do, and agree that I will communicate to Purdue Research Foundation, or its successors and assigns, any facts known to me respecting said invention, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Purdue Research Foundation, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

We hereby grant the law firm of Klarquist Sparkman Campbell Leigh & Whinston, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
