ASSIGNMENT

This Assignment made by Gayle B. Gerth of Dana Point, California, Assignor, to INSEAT SOLUTIONS, LLC, a California limited liability company, Assignee, having a place of business at 3180 Pullman Street, Costa Mesa, California 92626.

WHEREAS, Assignor has invented a new and useful HAND WAND FOR MASSAGING APPARATUS, for which an application for United States Design Patent has been filed on September 28, 2001 under Serial No. 29/148,983; and

WHEREAS, Assignor believes herself to be the original and first inventor of the invention disclosed and claimed in said application for Design Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention, said application, and any Design Patent that may be granted for said invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby does sell, assign and transfer to Assignee, the entire right, title and interest in and to said invention, said application, and any Design Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

PATENT
REEL: 012448 FRAME: 0727

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, her and her legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Design Patent in the United States and throughout the world for said invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said invention, said application, and any Design Patent granted for said invention in the United States and throughout the world.

Assignor represents and warrants that she has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner for Patents of the United States Patent and Trademark Office and of all foreign countries to issue any Design Patent granted for said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date written hereinbelow.
