**ASSIGNMENT**

WHEREAS, Advanced Matrix Technology, Inc. (hereafter Assignor) a corporation organized and existing under and by virtue of the laws of the State of California, and having an office and place of business at 4765 Calle Quetzal, Camarillo, CA 93012, has acquired the right, title and interest in an application for Letters Patent of the United States of even date herewith which is entitled LABEL PRINTING SYSTEM AND METHOD and was filed on July 21, 2000, Serial No. 09/620,803.

AND WHEREAS AMT Datasouth Corp. (hereafter Assignee) a corporation organized and existing under and by virtue of the laws of the State of California, and having an office and place of business at 4765 Calle Quetzal, Camarillo, CA 93012 is desirous of acquiring the right, title and interest in and to said inventions, improvements and application and in and to the Letter Patent to be obtained thereon;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto said Assignee, its successors or assigns, the entire right title and interest for all countries in and to all inventions and improvement disclosed in the aforesaid application, and in and to the said application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the said inventions and improvements including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and Assignor does hereby authorize and request the Commissioner of Patents to issue any and all United States Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors and assigns.

AND, for the consideration aforesaid, Assignor does hereby agree that at the request of Assignee, his executors and legal representatives it will make, execute and deliver any and all other instruments in writing needed to effectuate this Assignment, including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to Assignor relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore, Assignor covenants and agrees with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor, and that full right to convey the same as herein expressed is possessed by Assignor.

IN TESTIMONY WHEREOF, I have hereunto set by hand this 12 date of November 2001.
