ASSIGNMENT

WE ("Assignor"), **Kunio Komori**, a resident of Japan, and a citizen of Japan, and **Yukihito Sakai**, a resident of Japan, and a citizen of Japan have invented a new and useful improvement in **A multiple layer fiber filled sound absorber and a method of manufacturing the same** ("the Invention"), and have executed an Application for United States Patent based thereon having Attorney Docket No. 24701A and Serial No. 09/620,279 ("the Application").

Futaba Industrial Company, Ltd., ("Assignee"), a corporation of Japan, having a place of business at 1, Ochaya Hashime – cyo Okazaki – shi Aichi 444, Japan, is desirous of acquiring and has acquired certain rights in and to the Invention and the Application.

WE, Assignor, have agreed to and do hereby sell, assign, and transfer unto Assignee our entire right, title, and interest in and to the Invention, the Application, and any and all patents (including extensions, reissues, and reexaminations thereof) throughout the world, that have been or may be granted on the Invention or any part thereof, or on the Application or any patent application based on or claiming priority to the Application, or any divisional, continuation, renewal, reissue, or other patent application based in whole or in part on the Application or the Invention ("the Patent Rights");

TO BE HELD AND ENJOYED by Assignee, its successors, and assigns to the full ends of the respective terms or periods for which the Patent Rights are pending, in force, or have been or may be granted or extended, as fully and entirely as the same would have been held and enjoyed by us had no assignment of said right, title, and interest been made;

FURTHER, WE, Assignor, hereby covenant and agree for ourselves, our heirs, and our legal representatives to assist Assignee in the prosecution of any and all patent applications assigned hereby and in any interference, opposition, or other legal proceeding that may arise involving the Invention, the Application, or the Patent Rights, and, upon request, to execute without further consideration all papers necessary or desirable for the preparation or prosecution of any divisional, continuation, renewal, reissue, reexamination, or other applications for patents in any country that might be deemed necessary or desirable by Assignee to fully to secure its respective right, title, and interest in and to the Invention or any part thereof, in and to the Application or any patent application based thereon or claiming priority thereto, or in and to the Patent Rights, as aforesaid;

AND WE, Assignor, hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America to issue to Assignee any United States patent that may be granted based on the Invention or the Application, or on any other U.S. application assigned hereby; and we hereby authorize and request the authorized officials of all countries other than the United States of America to issue to Assignee any non-U.S. patent that may be granted based on the Invention or the Application, or on any non-U.S. application assigned hereby.
