ASSIGNMENT

WHEREAS, the below named inventor, ASSIGNOR, has made a certain new and useful invention in:

FLEXIBLE VESSEL

for which a patent application was filed on **May 29, 2001** under serial number **09/867,936**

and WHEREAS, **INBAR – WATER DISTRIBUTION COMPANY LTD.**, an Israel company having a place of business at **1 Litanis Street, Haifa, Israel**, ASSIGNEE, is desirous of obtaining the entire right, title and interest in, to and under the said invention and the said application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, the said ASSIGNOR, has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said invention, and the said United States application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof, and all applications for industrial property protection, including, without limitation, all applications for patents, utility models and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other International agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventor's certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof.

ASSIGNOR authorizes and requests the Commissioner of Patents, and any Official of any country or countries foreign to the United States, to issue patents or other evidence or forms of industrial property protection aforesaid, to issue the same to the said ASSIGNEE, its successors and assigns, in accordance with the terms of this instrument.

AND ASSIGNOR covenants and agrees that he has full right to the said invention, and has not executed, and will not execute, any agreement or instrument which purports to assign, or to grant any right or interest in, to and under the said invention, or any part thereof, to any person other than the said ASSIGNEE, its successors and assigns.

AND ASSIGNOR further covenants and agrees that he will cooperate with the said ASSIGNEE, its successors, legal representatives and assigns, in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.
