dated

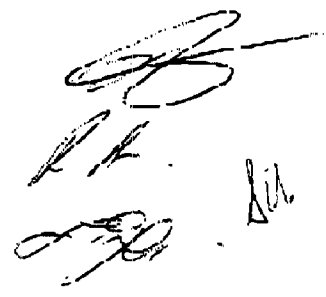

3rd January 1997

THIS DEED made the 3rd day of January 1997

BETWEEN KEVIN STEPHEN DAVIES, of 23 Baxter Way, Padbury, Western Australia, Australia, (hereinafter referred to as "the Assignor" which expression shall include his executors, administrators and assigns where the context admits) of the one part AND THOMAS JOHN APPLEYARD, of 294 Hancock Street, Doubleview, Western Australia, Australia, (hereinafter referred to as "the Assignee" which expression shall include his executors, administrators and assigns where the context admits) of the other part.....

RECITALS:

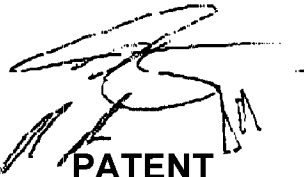

- A. An Australian Provisional Patent Application (hereinafter referred to as "the Application") identified in The Schedule to this Deed was filed in respect of an invention entitled "Safety Apparatus and Protection Method for Machines" (hereinafter referred to as "the Invention").
- B. A Request under Section 104 of the Australian Patents Act 1990 to amend the Patent Request filed in respect of the Application was filed with the Australian Industrial Property Organisation on 2 January 1997 to substitute Safe-T-Corporation Pty Ltd, (ACN 069 330 007), as the applicant for the Application.

C. The said SAFE-T-CORPORATION PTY LTD derives title to the Invention and is the person entitled to have a patent granted to it in respect of the Invention that is the subject of the Application.

D. The Assignor has invented certain further subject matter in relation to the Invention after the filing date of the Application (hereinafter referred to as "the further subject matter") and a description and illustration of the further subject matter together with other subject matter in relation to the Invention invented after the filing date of the Application and to which the said SAFE-T-CORPORATION PTY LTD derives title is included in the specification and the information sheet attached hereto as Annex A and Annex B, respectively, and the further subject matter is not included in the provisional specification filed in respect of the Application.

E. The Assignor has agreed to assign unto the Assignee all his right, title and interest in and to the further subject matter and any copyright owned by the Assignor in any drawings, models or other works in which copyright subsists relating to the further subject matter and the right to file patent applications which include the further subject matter in any country and under the provisions of the Patent Cooperation Treaty as the Assignee desires at the Assignee's expense.

PATENT

F. In the premises the parties have agreed to execute this Deed.

NOW BY THIS DEED

1. ASSIGNMENT

In confirmation of the consideration of the sum of ten dollars (\$10.00) paid to the Assignor by the Assignee, receipt of which is hereby acknowledged, the Assignor hereby sells, assigns and transfers to the Assignee all his right, title and interest in and to the further subject matter and any copyright owned by the Assignor in any drawings, models or other works in which copyright subsists relating to the further subject matter and the right to file patent applications which include the further subject matter in any country and under the provisions of the Patent Cooperation Treaty as the Assignee desires at the Assignee's expense.

2. APPLICATIONS

The Assignor hereby authorises the Assignee to do all such things as he considers necessary in order to obtain the acceptance of any patent application which includes the further subject matter applied for in any country and the grant of a Patent in respect of any such patent application applied for in any country.

3. CONSENTS

(a) The said SAFE-T-CORPORATION PTY LTD hereby consents to the assignment of all the Assignor's right, title and interest in and to the further subject matter from the Assignor to the Assignee.

(b) The Assignor hereby consents to the use for the benefit of the Assignee of any information, papers, documents, drawings, models or other materials, in respect of the further subject matter, created by the Assignor or by another party from information provided by the Assignor.

4. FURTHER ASSURANCES

(a) The Assignor undertakes and agrees to execute and deliver all such documents and other instruments as may be necessary to assure, assign or confirm his right, title and interest in and to the further subject matter to the Assignee.

(b) In case the Assignor shall fail for any reason to execute any document, form or other writing reasonably required hereunder, the Assignor appoints Messrs Stephen George Krouzecky, Errol John Harwood, John Hagen King and Gregory James Bartlett, Patent Attorneys, of Primary Industry House, 239 Adelaide Terrace, Perth, Western Australia, Australia, his Attorneys therefor, severally.

5. GOVERNING LAW

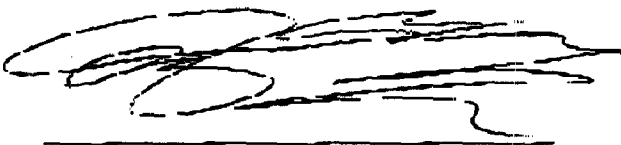

This Deed and the respective rights, duties and obligations of the parties hereunder shall be governed by and construed in accordance with the law of the State of Western Australia.
