In consideration of the mutual covenants set forth herein, the above named Debtor and the above named Secured Party hereby enter into this Master Loan and Security Agreement and agree to the terms and conditions set forth herein. Each Loan Schedule which may be executed by Debtor and Secured Party from time to time pursuant to this Master Loan and Security Agreement shall be deemed to be a separate loan transaction incorporating all of the terms and conditions of this Master Loan and Security Agreement. References in this Master Loan and Security Agreement to "Agreement", "hereunder" and "herein" shall mean a Loan Schedule which incorporates this Master Loan and Security Agreement.

1. **Loan Schedules.** Debtor shall evidence its agreement to enter into each Agreement incorporating the terms hereof by executing and delivering to Secured Party a Loan Schedule in the form annexed hereto as Exhibit 1. Debtor's execution of a Loan Schedule shall obligate Debtor to make all of the payments set forth in the Schedule of Obligations as set forth in the Loan Schedule. The Loan Schedule shall set forth the amount of the Loan, the Term of the Loan, the number of payments to be made and the amount and dates upon which such payments are due. The Loan Schedule shall also set forth the Time Balance which means the aggregate amount of all payments which are payable under the Agreement evidenced by such Loan Schedule. Secured Party shall have no obligation to enter into or accept any Loan Schedule and no Loan Schedule shall be binding upon Secured Party until accepted by Secured Party which acceptance shall be evidenced only by the execution of such Loan Schedule by Secured Party.

2. **Grant of Security Interest.** Debtor hereby grants to Secured Party a security interest in the personal property referred to and/or described in each Loan Schedule (hereinafter with all renewals, substitutions and replacements and all parts, repairs, improvements, additions and accessories incorporated therein or affixed thereto referred to as the "Equipment"), together with any and all proceeds thereof and any and all insurance policies and proceeds with respect thereto.

3. **Obligations Secured.** The aforesaid security interest is granted by Debtor as security for (a) the payment of the Time Balance (as set forth in the Loan Schedule) and the payment and performance of all other indebtedness and obligations now or hereafter owing by Debtor to Secured Party, of any and every kind and description under the Agreement evidenced by such Loan Schedule, and any and all renewals and extensions of the foregoing, and all interest, fees, charges, expenses and attorneys' fees accruing or incurred in connection with any of the foregoing (all of which Time Balance, indebtedness and obligations are hereinafter referred to as the "Liabilities") and (b) the payment and performance of all other indebtedness and obligations now or hereafter owing by Debtor to Secured Party, of any and every kind and description, howsoever arising or evidenced including without limitation those arising under other Loan Schedules, (all of which indebtedness and obligations are hereinafter referred to as the "Other Liabilities"). Subject to Paragraph 16, any nonpayment of any installment or other amounts due hereunder shall result in the obligation on the part of Debtor promptly to pay also an amount equal to five per cent (5%), (or the maximum rate permitted by law, whichever is less) of the installment or other amounts overdue.

4. **Warranties.** DEBTOR ACKNOWLEDGES THAT SECURED PARTY MAKES NO WARRANTIES, EXPRESS OR IMPLIED, IN RESPECT OF THE EQUIPMENT, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR ANY PARTICULAR PURPOSE. Secured Party shall not be liable to Debtor for any loss, damage or expense of any kind or nature caused, directly or indirectly, by any Equipment secured hereunder or the use or maintenance thereof or the failure of operation thereof, or the repair, service or adjustment thereof, or by any delay or failure to provide any such maintenance, repairs, service or adjustment, or by any interruption of service or loss of use thereof or for any loss of business howsoever caused. The Equipment shall be shipped directly to Debtor by the supplier thereof and Debtor

shall, when and as requested by Secured Party, undertake, by litigation or otherwise, in Debtor's name, the collection of any claim against any person for such destruction, damage, loss, theft, requisition or taking, but Secured Party shall not be obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such destruction, damage, loss, theft, requisition or taking.

7. Representations and Warranties of Debtor. Debtor represents and warrants that: it has the right, power and authority to enter into and carry out the terms and provisions of this Agreement; this Agreement constitutes a valid obligation of the Debtor and is enforceable in accordance with its terms; and entering into this Agreement and carrying out its terms and provisions will not violate the terms or constitute a breach of any other agreement to which Debtor is a party.

9. Negative Covenants of Debtor. (h) Debtor or any guarantor of any or all of the Liabilities shall suffer an adverse material change in its financial condition as compared to such condition as at the date hereof, and as a result of such change in condition Secured Party deems itself or any of the Equipment to be insecure;

then and in any such event, Secured Party may, at the sole discretion of Secured Party, without notice or demand and without limitation of any rights and remedies of Secured Party under the Uniform Commercial Code, take any one or more of the following steps:

(1) Declare all of the Time Balance to be due and payable, whereupon the same shall forthwith mature and become due and payable as provided for in paragraph 16 below, provided, however, upon the occurrence of any of the events specified in subparagraphs (f) and (g) above, all sums as specified in this clause (1) shall immediately be due and payable without notice to Debtor (the date on which Secured Party declares all of the Time Balance to be due and payable is hereinafter referred to as the "Declaration Date");

(2) proceed to protect and enforce its rights by suit in equity, action at law or other appropriate proceedings, whether for the specific performance of any agreement contained herein, or for an injunction against a violation of any of the terms hereof, or in aid of the exercise of any other right, power or remedy granted hereby or by law, equity or otherwise; and

(3) at any time and from time to time, with or without judicial process and the aid or assistance of others, enter upon any premises wherein any of the Equipment may be located and, without resistance or interference by Debtor, take possession of the Equipment on any such premises, and require Debtor to assemble and make available to Secured Party at the expense of Debtor any part or all of the Equipment at any place or time designated by Secured Party; and remove any part or all of the Equipment from any premises wherein the same may be located for the purpose of effecting the sale or other disposition thereof; and sell, resell, lease, assign and deliver, grant options for or otherwise dispose of any or all of the Equipment in its then condition or following any commercially reasonable preparation or processing, at public or private sale or proceedings, by one or more contracts, in one or more parcels, at the same or different times, with or without having the Equipment at the place of sale or other disposition, for cash and/or credit, and upon any terms, at such place(s) and time(s) and to such persons, firms or corporations as Secured Party shall deem best, all without demand for performance or any notice or advertisement whatsoever, except that Debtor shall be given five (5) business days' written notice of the place and time of any public sale or of the time after which any private sale or other intended disposition is to be made, which notice Debtor hereby agrees shall be deemed reasonable notice thereof. If any of the Equipment is sold by Secured Party upon credit or for future delivery, Secured Party shall not be liable for the failure of the purchaser to pay for same and in such event

Secured Party may resell such Equipment. Secured Party may buy any part or all of the Equipment at any public sale and if any part or all of the Equipment is of a type customarily sold in a recognized market or which is the subject of widely distributed standard price quotations Secured Party may buy at private sale and may make payment therefor by application of all or a part of the Liabilities and of all or a part of any Other Liabilities. Any personalty in or attached to the Equipment when repossessed may be held by Secured Party without any liability arising with respect thereto, and any and all claims in connection with such personalty shall be deemed to have been waived unless notice of such claim is made by certified or registered mail upon Secured Party within three business days after repossession.

Secured Party shall apply the cash proceeds from any sale or other disposition of the Equipment first, to the reasonable expenses of re-taking, holding, preparing for sale, selling, leasing and the like, and to reasonable attorneys' fees and other expenses which are to be paid or reimbursed to Secured Party pursuant hereto, and second, to all outstanding portions of the Liabilities and to any Other Liabilities in such order as Secured Party may elect, and third, any surplus to Debtor, subject to any duty of Secured Party imposed by law to the holder of any subordinate security interest in the Equipment known to Secured Party; provided however, that Debtor shall remain liable with respect to unpaid portions of the Liabilities owing by it and will pay Secured Party on demand any deficiency remaining with interest as provided for in paragraph 16 below.

12. Secured Party's Right to Perform for Debtor. If Debtor fails to perform or comply with any of its agreements contained herein Secured Party may perform or comply with such agreement and the amount of any payments and expenses incurred by Secured Party in connection with such performance or compliance, together with interest thereon at the rate provided for in paragraph 16 below, shall be deemed a part of the Liabilities and shall be payable by Debtor upon demand.

13. Further Assurances. Debtor will cooperate with Secured Party for the purpose of protecting the interests of Secured Party in the Equipment, including, without limitation, the execution of all Uniform Commercial Code financing statements requested by Secured Party. Secured Party and any assignee of Secured Party are each authorized to the extent permitted by applicable law to file one or more Uniform Commercial Code financing statements disclosing any security interest in the Equipment without the signature of Debtor or signed by Secured Party or any assignee of Secured Party as attorney-in-fact for Debtor. Debtor will pay all costs of filing any financing, continuation or termination statements with respect to this Agreement, including, without limitation, any documentary stamp taxes relating thereto. Debtor will do whatever may be necessary to have a statement of the interest of Secured Party and of any assignee of Secured Party in the Equipment noted on any certificate of title relating to the Equipment and will deposit said certificate with Secured Party or such assignee. Debtor shall execute and deliver to Secured Party, upon request, such other instruments and assurances as Secured Party deems necessary or advisable for the implementation, effectuation, confirmation or perfection of this Agreement and any rights of Secured Party hereunder.

14. Non-Waiver; Etc. No course of dealing by Secured Party or Debtor or any delay or omission on the part of Secured Party in exercising any rights hereunder shall operate as a waiver of any rights of Secured Party. No waiver or consent shall be binding upon Secured Party unless it is in writing and signed by Secured Party. A waiver on any one occasion shall not be construed as a bar to or a waiver of any right and/or remedy on any future occasion. To the extent permitted by applicable law, Debtor hereby waives the benefit and advantage of, and covenants not to assert against Secured Party, any valuation, inquisition, stay, appraisement, extension or redemption laws now existing or which may hereafter exist which, but for this provision, might be applicable to any sale or other disposition made under the judgment, order or decree of any court or under the powers of sale and other disposition conferred by this Agreement or otherwise. Debtor hereby waives any right to a jury trial with respect to any matter arising under or in connection with this Agreement.

15. Entire Agreement; Severability; Etc. This Agreement constitutes the entire agreement between Secured Party and Debtor and all conversations, agreements and representations relating to this Agreement or to the Equipment are integrated herein. If any provision hereof or any remedy herein provided for shall be invalid under any applicable law, such provision or remedy shall be inapplicable and deemed omitted, but the

remaining provisions and remedies hereunder shall be given effect in accordance with the intent hereof. Neither this Agreement nor any term hereof may be changed, discharged, terminated or waived except in an instrument in writing signed by the party against which enforcement of the change, discharge, termination or waiver is sought. This Agreement shall in all respects be governed by and construed in accordance with the internal laws of the State of New York, including all matters of construction, validity and performance, and shall be deemed a purchase money security agreement within the meaning of the Uniform Commercial Code. The captions in this Agreement are for convenience of reference only and shall not define or limit any of the terms or provisions hereof. This Agreement shall inure to the benefit of and be binding upon Secured Party and Debtor and their respective successors and assigns, subject, however, to the limitations set forth in this Agreement with respect to Debtor's assignment hereof. No right or remedy referred to in this Agreement is intended to be exclusive but each shall be cumulative and in addition to any other right or remedy referred to in this Agreement or otherwise available to Secured Party at law or in equity, and shall be in addition to the provisions contained in any instrument referred to herein and any instrument supplemental hereto. Debtor shall be liable for all costs and expenses, including attorneys' fees and disbursements, incurred by reason of the occurrence of any Event of Default or the exercise of Secured Party's remedies with respect thereto. Time is of the essence with respect to this Agreement and all of its provisions.

16. Prepayment; Rebate; Interest. Except for the installment payments of the Time Balance as set forth in the Schedule of Obligations, the Debtor may not prepay the Time Balance, in whole or in part, at any time. In the event Secured Party declares all of the Time Balance to be due and payable pursuant to clause (1) of paragraph 11 above, Debtor shall pay to Secured Party an amount equal to the sum of (a) all accrued and unpaid amounts as of the Declaration Date plus interest thereon, and (b) the present value of all future installments set forth in this Agreement over the remaining unexpired term of this Agreement discounted to present value using a discount rate of four percent (4%), provided that the amount of interest earned by Secured Party computed as aforesaid shall not exceed the highest amount permitted by applicable law. The Time Balance as reduced to present value in accordance with the preceding sentence shall bear interest from and after the Declaration Date, and all other Liabilities due and payable under this Agreement (including past due installments) shall bear interest from and after their respective due dates, at the lesser of 1.5% per month or the highest rate permitted by applicable law, provided, however, that Debtor shall have no obligation to pay any interest on interest except to the extent permitted by applicable law.

17. Consent to Jurisdiction. Debtor hereby irrevocably consents to the jurisdiction of the courts of the State of New York and of any federal court located in such state in connection with any action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby. Any such action or proceeding will be maintained in the United States District Court for the Southern District of New York or in any court of the State of New York located in the County of New York and Debtor waives any objections based upon venue or *forum non conveniens* in connection with any such action or proceeding. Debtor consents that process in any such action or proceeding may be served upon it by registered mail directed to Debtor at its address set forth at the head of this Agreement or in any other manner permitted by applicable law or rules of court. Debtor hereby irrevocably appoints Secretary of State of the State of New York as its agent to receive service of process in any such action or proceeding.

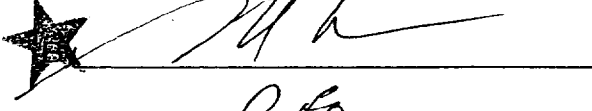

18. Notices. Notice hereunder shall be deemed given if served personally or by certified or registered mail, return receipt requested, to Secured Party and Debtor at their respective addresses set forth at the head of this Agreement. Any party hereto may from time to time by written notice to the other change the address to which notices are to be sent to such party. A copy of any notice sent by Debtor to Secured Party shall be concurrently sent by Debtor to any assignee of Secured Party of which Debtor has notice.

The Debtor agrees to all the provisions set forth above. This Agreement is executed pursuant to due authorization. DEBTOR ACKNOWLEDGES RECEIPT OF A SIGNED TRUE COPY OF THIS AGREEMENT.
