**ASSIGNMENT**

**WHEREAS, We, Christopher T Baker, Edward P Cercek and Gavin P Edwards of** 306 Kendall Park Road, Peninsula, Ohio 44264; 2355 Congress Lake Road, Mogadore, Ohio 44260 and 40 George Avenue, Mile Oak, Tamworth, Staffordshire B78 3PW, England have invented a certain new, original and ornamental design entitled **PNEUMATIC TIRE TREAD AND BUTTRESS** as disclosed in a patent application executed by the undersigned on even date herewith, for filing in the United States of America, being owners of all right, title and interest in and to said application and in and to any design disclosed therein and having full right to convey the entire interest both legal and equitable herein assigned; and

**WHEREAS, KUMHO & CO, INC,** 555 Sochon-Dong, Kwangsan-Gu, Kwangju, 506-040, Korea, a Korean Corporation (Assignee) is desirous of acquiring the entire right, title and interest in and to said application and said design disclosed therein and any and all patents to be obtained therefor, all as hereinafter set forth:

**NOW, THEREFORE,** in consideration of good and valuable consideration received by the undersigned, the undersigned do hereby sell, assign, transfer and set over unto said assignee, its successors and assigns, the entire right, title and interest in and to said design, as disclosed in the aforesaid application, in any form or embodiment thereof and in and to the aforesaid application and in and to any application filed in an foreign country based thereon, including the right to file said foreign applications under the provisions of the International Convention; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said design and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said design in this or any foreign country; and the undersigned hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said assignee or its successors and assigns.

The undersigned further agree to execute all divisional, continuing, substitute, improvement, extension, reissue and other patent applications in this or any foreign country relating to said application or design and to sign all other lawful papers and to perform all other lawful acts without further consideration, but without expense to ourselves, which the assignee may deem necessary or desirable to make this assignment fully effective including by way of example, but not of limitation, the following acts:

- (1) Prompt execution of all lawful oaths, affidavits and/or supplemental oaths required or deemed advisable by the assignee to further the prosecution of any application or applications for patent relating to the subject matter of this Assignment;
- (2) To cooperate to the best of our ability in the execution of all lawful documents, the production of evidence, and the giving of testimony in the interference, opposition, nullification or infringement proceedings involving the said design, applications or patents or any of them.

The undersigned hereby authorizes said assignee to insert in this Assignment the serial number and filing date of the above-identified application when known.

**IN WITNESS WHEREOF,** the undersigned has hereunto set their hands and seals on the date set forth after their signature.
