ASSIGNMENT OF INVENTION

THIS Assignment is effective the 15 day of March, 2001,

BETWEEN Ray Hicks, having his principal place of business at Swartz Creek, Michigan 48473, United States of America, (hereinafter the "Assignor"), who is the owner of the entire title in the United States Patent No. 6,275,282 and in the inventions covered by said patent; and

ProShots, Inc., a Kodak Company, of 4162 Dye Road, Swartz Creek, MI 48473, United States of America, a corporation of the State of Delaware (hereinafter the "Assignee"), who wants to acquire the entire title of Assignor in the aforesaid applications and the inventions covered thereby.

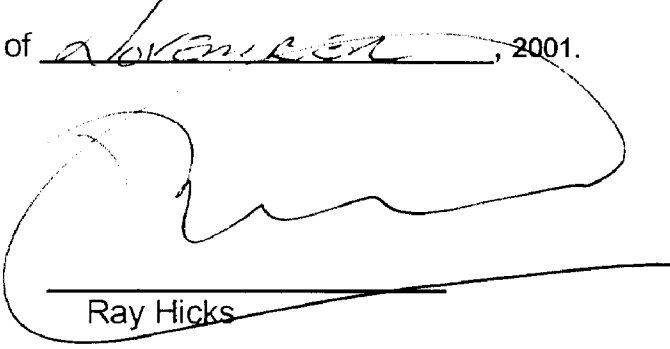

THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby assign unto Assignee its entire title in and to said inventions covered by said patent, and all corresponding patents in countries other than the United States, and all reissues, divisions and extensions thereof and to any Letters Patent which have or may issue based thereon, all of which are encompassed herein by the term "Patent", including all claims for damage for past infringement thereof; the same to be held and enjoyed by Assignee, its successors, and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment and sale not been made.

Assignor also agrees that it will, at Assignee's request, render such lawful cooperation and assistance as may be necessary for the proper maintenance and enforcement of said patent, provided, however, that Assignor may condition its compliance with such a request on Assignee's agreement to pay Assignor reasonable out-of-pocket expenses in connection therewith.

This document shall be construed, interpreted and applied in accordance with the laws of the State of New York.

IN WITNESS THEREOF, the parties have caused their respective corporate names to be affixed hereto and this instrument to be signed by their duly authorized officers as of the day and year written below.

Signed this 16 day of November, 2001.
