(For Execution After Filing Patent Application)

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, \_\_\_\_\_,  
the undersigned, Craig M. Janik,  
hereby sell, assign, and transfer to Simple Devices  
a corporation of Delaware, having a principal place of business at  
111 Anza Boulevard, Suite 120, Burlingame, California 94010, ("Assignee"),  
and its successors, assigns, and legal representatives, the entire right, title, and interest for  
the United States and all foreign countries, in and to any and all improvements that are  
disclosed in the application for the United States patent that was filed September 1, 2001 and  
assigned Application No. 09/945,018 and is entitled

and in and to said application and all divisional applications, continuation applications,  
continued prosecution applications, continuation-in-part applications, substitute applications,  
renewal applications, reissue applications, reexaminations, extensions, and all other patent  
applications that have been or shall be filed in the United States and all foreign countries on  
any of said improvements; and in and to all original patents, reissued patents, reexamination  
certificates, and extensions that have been or shall be issued in the United States and all  
foreign countries on said improvements; and in and to all rights of priority resulting from the  
filing of said United States application;

agree that said Assignee may apply for and receive a patent or patents for said  
improvements in its own name; and that, when requested, without charge to, but at the  
expense of, said Assignee, its successors, assigns, and legal representatives, to carry out in  
good faith the intent and purpose of this Assignment, the undersigned will execute all  
divisional applications, continuation applications, continued prosecution applications,  
continuation-in-part applications, substitute applications, renewal applications, reissue  
applications, reexaminations, extensions, and all other patent applications on any and all said  
improvements; execute all rightful oaths, assignments, powers of attorney, and other papers;  
communicate to said Assignee, its successors, assigns, and representatives all facts known to  
the undersigned relating to said improvements and the history thereof; and generally assist  
said Assignee, its successors, assigns, or representatives in securing and maintaining proper  
patent protection for said improvements and for vesting title to said improvements, and all  
applications for patents and all patents on said improvements, in said Assignee, its  
successors, assigns, and legal representatives; and
