ASSIGNMENT OF INTELLECTUAL PROPERTY

Whereas, BIO-RAD LABORATORIES, Inc., a corporation organized and existing under the laws of the State of Delaware, having a place of business at 1000 Alfred Nobel Drive, Hercules, California (hereinafter the "Assignor") holds legal title to the patents and applications therefore, trademarks both common law and registered, domain names, digital information, and other property listed in Schedule 1.1m attached hereto as Appendix A, except for those patents, copyrights and other items identified therein as licensed to Assignor, (collectively, the "Assigned Intellectual Property").

Whereas, DIGILAB ACQUISITIONS, Inc., a corporation organized and existing under the laws of the State of Delaware, United States of America, having a place of business at 6 Stonywell Court, Dix hills, New York, (hereinafter the "Assignee") is desirous of acquiring said legal title to the Assigned Intellectual Property.

NOW THEREFORE:

Be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred, and otherwise conveyed to Assignee for its own use, and for the use of its successors or other legal representatives, all right, title and interest to the Assigned Intellectual Property and in and to any division, continuation or continuation-in-part, of any and all pending applications thereof, and in and to any and all reissues and extensions thereof, of the United States of America and all foreign countries (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties or otherwise), which have been or may be granted on any of the foregoing.
