PATENT

ASSIGNMENT

I, STEVEN J. ROSS residing at 6949 Roberts Road, Clinton, New York 13323, represent that I have invented improvements in a new and useful THERMALLY ACTUATED CONTROL DEVICE," (hereinafter the "Invention") for which I had executed an application for Letters Patent of the United States of America filed September 10, 1999, Serial No. 09/393,145.

LEVINGARD TECHNOLOGIES, INC. is a corporation organized and existing under the laws of the State of California, has a place of business at 210 Walnut, Arroyo Grande, California 93420 and desire to acquire the entire right, title and interest in and to the invention, any patent application based thereon and letters patent to be granted and issued therefrom.

For valuable consideration, the receipt and legal sufficiency of all of which we acknowledge, I have sold and do hereby sell, assign, transfer and set over unto LEVINGARD TECHNOLOGIES, INC. its successors and assigns, the entire right, title and interest in and to the inventions and all improvements thereon, in and to any application for letters patents thereon, in and to applications pertaining to or based upon the invention and application, including divisional and continuing applications and continuations-in-part, and in and to any and all letters patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

I also agree that I will, at the request of LEVINGARD TECHNOLOGIES, INC., execute any and all applications for letters patent for the invention, execute any and all other papers and documents and do all other and further lawful acts that LEVINGARD TECHNOLOGIES, INC. may deem necessary or desirable to obtain letters patent on the invention, to secure the grant of such letters patent and to protect and vest in LEVINGARD TECHNOLOGIES, INC. the undivided interests in the right, title and interest in the invention, applications and letters patent.

I also authorize and empower LEVINGARD TECHNOLOGIES, INC., successors and assigns to apply for and obtain, in its or their own names, letters patent for the invention before competent International Authorities and in any and all countries foreign to the United States in which applications for letters patent can be so made or letters patent so obtained.

Date: January 25, 2002.

Steven J. Ross
