ASSIGNMENT

The ASSIGNOR, Ram Ganeshan, having an address at 105 North Hall Drive, Sugar Land 77478, is the inventor of an invention entitled PARTIALLY STUDDERED RADIANT TUBES described in a U.S. patent application of even date herewith, hereinafter called the INVENTION.

The ASSIGNEES, TECHNOLOGY SALES & MARKETING CORPORATION, a Texas corporation with an address at 105 North Hall Drive, Sugar Land 77478 and Daniel N. Lundeen, P.C., a Texas professional corporation of attorneys with an address at 1916 Baldwin, Houston, Texas 77002, mailing address P.O. Box 131144, Houston, Texas 77219-1144 wish to acquire partial ownership of the right, title and interest in and to the INVENTION and under Letters Patent which may be obtained for this INVENTION at the following percentage:

<u>ASSIGNEES</u>	<u>Percent of ownership (%)</u>
Technology Sales & Marketing Corporation	80
Daniel N. Lundeen, P.C.	20

For valuable and legally sufficient considerations, receipt of which are hereby acknowledged, the Assignor hereby sells, assigns and transfers to Assignees, their successors and assigns, the entire right, title and interest for the United States in and to the above-identified INVENTION and any and all applications and for the full term of any Letters Patent of the United States that may issue for the INVENTION.

The Assignor also sells, assigns and transfers to Assignee the entire right, title and interest in and to the INVENTION and application for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including all rights under the International Convention. The Assignor further authorizes Assignees to apply for Letters Patent in foreign countries in the name of Assignee, and to claim the priority of the filing date of the United States Application under the provisions of the International Convention.

The Assignor further agrees, for he and his legal representatives, he will assist Assignee in the prosecution before the United States Patent and Trademark Office and the Federal Courts of any and all patent applications, and other applications for Letters Patent including renewals, continuations, divisions, reissues and substitutions, that the Assignee elects to make covering the INVENTION. The Assignor vests in Assignees like exclusive title in and to all such other applications and Letters Patent. The Assignor will execute and deliver to Assignees any documents which may be requested by Assignees to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks of the United States is authorized and requested to issue Letters Patent of the United States to Assignee. The Assignor also authorizes and requests the equivalent authorities in foreign countries to issue the patents of foreign countries to Assignees.
