Donald E. Fraser**ASSIGNMENT**

WHEREAS I, **Donald E. Fraser**(the "Inventor"), residing at **1836 Fawn Creek Drive, Owensboro, KY, 42303** am the sole inventor of an invention in ***Universal Bracket*** for which invention a US patent application with serial number **10/057,853** on **25 January 2002**, and I am entitled to assign my entire right, title and interest world-wide in and to the invention and any intellectual property protection for the invention, including the US patent application and any Canadian patent application therefor; and

WHEREAS Hunter Douglas Inc. (the "Company"), having a place of business at 2 Park Way, Upper Saddle River, New Jersey 07458 USA, is desirous of obtaining my entire right, title and interest in and to the invention and any intellectual property protection for the invention, including the US patent application and any Canadian patent application therefor, world-wide;

NOW THEREFORE, in consideration of the sum of one Dollar (USD 1.00) and other good and valuable consideration, the receipt of which is acknowledged, I hereby sell, assign and transfer to the Company, its successors, legal representatives and assigns, my entire right, title and interest world-wide in and to the invention and all applications for industrial property protection, including, without limitation, all applications for patents, utility models and designs, whether original, divisional, continuation, renewal, reissue, or the like, now on file or subsequently filed, for the invention world-wide, together with the right to file such applications and the right to claim for such applications the priority rights derived from the US patent application under any national or international intellectual property laws or agreements and any industrial property protection including, without limitation, patents, utility models and designs, now or hereafter granted, for the invention world-wide, and any extensions, renewals, reissues or the like thereof.

FURTHER I hereby authorise and request any official of any state, responsible for issuing patents or other evidence or forms of any industrial property protection, to issue the same for the invention to the Company, its successors, legal representatives and assigns, in accordance with this assignment.

ALSO I hereby agree that I have the full right to convey my entire, right, title and interest in and to the invention world-wide and all applications for industrial property protection for the invention world-wide and that I have not executed, and will not execute, any agreement in conflict with this assignment.
