### ASSIGNMENT

WHEREAS, WE, **Jerry G. Hodsdon, Chase Tyler Thompson and Charles Richard Lewis, Jr.**, the undersigned inventors (ASSIGNORS), have invented a **LABEL SHEET**, for which we filed an application for Design Letters Patent of the United States on December 6, 2001, Serial Number 29/151,572. We are the joint owners of this application, invention and improvements;

WHEREAS, **AVERY DENNISON CORPORATION**, (ASSIGNEE) is a corporation organized and existing under the laws of the state of Delaware, having a place of business at 150 North Orange Grove, Pasadena, California 91103, desires to acquire the entire right, title and interest in and to the inventions, applications and Design Patent to be granted and issued for and/or based on the inventions and applications; and

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) by the ASSIGNEE to me paid, and other valuable consideration, the receipt and legal sufficiency of all of which we acknowledge, we, the ASSIGNORS, have sold and do hereby sell, assign, transfer and set over unto the ASSIGNEE, its successors and assigns, the entire right, title and interest in and to the inventions and all improvements thereon, in and to the application for Design Patent thereon, in and to applications pertaining to or based upon the inventions and applications, including regular, divisional and continuing applications and continuations-in-part, and in and to any and all Design Patent which may be granted and issued on the inventions and applications, or any of them, not only for, to and in the United States of America, its territories and possessions, but for, to and in all foreign countries, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

And for the above-named considerations, we agree that we will, at the request of the ASSIGNEE, execute any and all applications for Design Patent for the inventions and any and all other papers and documents and do all other and further lawful acts that the ASSIGNEE may deem necessary or desirable to obtain Design Patent on the inventions, to secure the grant of such Design Patent and to perfect and vest in the ASSIGNEE the entire right, title and interest in the inventions, applications and Design Patent.

And for the above-named considerations, we authorize and empower the ASSIGNEE, its successors and assigns, to apply for and obtain, in its or their own names, Design Patent for the inventions before competent International Authorities including the World Intellectual Property Office and in any and all countries foreign to the United States in which applications for Design Patent can be so made or Design Patent so obtained.
