ASSIGNMENT AND AGREEMENT

For value received, We, Bruce Gingles, residing at 2520 East Second Street, Bloomington, Indiana 47401, U.S.A., and Daniel J. Sirota, residing at 3307 Mulberry Drive, Bloomington, Indiana 47401, U.S.A., hereby sell, assign, and transfer to **Cook Critical Care**, a corporation of the State of Indiana, having an office at 750 North Daniel's Way, Bloomington, IN, 47404, U.S.A., and its successors, assigns and legal representatives, hereinafter collectively "Cook," the entire right, title and interest, for the United States of America, in and to certain inventions related to "FENESTRATED SELF-ADHESIVE SURGICAL DRAPE WITH A TRANSPARENT CENTRAL PORTION AND AN ABSORBENT PERIPHERY" described in U.S. Design Patent Application Serial No. 29/152,801, filed on December 27, 2001, and all the rights and privileges in said application and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Cook the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Cook to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in

any country in proof of the right of Cook to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Cook in the United States and in all countries foreign to the United States, or to such nominees as Cook may designate.

We agree that, when requested, we shall, without charge to Cook but at their expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
