## Assignment

- In consideration of one dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, CiDRA Corporation (“Assignor”), having an office at 50 Barnes Park North, Wallingford, CT, 06492, hereby assigns and transfers to Weatherford/Lamb, Inc. (“Assignee”), having an office at 515 Post Oak Blvd., Suite 600, Houston, Texas, 77027, all of its present and future rights, title or interest in:

“Fiber Optic Pressure Sensor for DC Pressure and Temperature,” United States Patent Application Serial Number 09/548,792, filed April 13, 2000, (hereinafter “Above-Referenced Patent Application”);

and to all divisional, continuation, continuation-in-part (CIP), substitute, renewal, reissue, or other application based on or claiming priority from the Above-Referenced Patent Application which have been or shall be filed in the United States or in a foreign jurisdiction (hereinafter “Related Patent Applications”);

and to all original, reissued, or reexamined patents which have been or shall be issued from the Above-Referenced Patent Application and/or Related Patent Applications in the United States or in a foreign jurisdiction.

- Assignor further promises to carry out in good faith the intent and purpose of this Assignment, and further promises when requested by Assignee and at the expense of the Assignor, to execute any and all documents to necessary effect such assignment, including to execute or have executed by the inventors and/or the Assignor's agents, employees or contractors all rightful oaths, declarations, assignments, powers of attorney or other lawful papers necessary to perfect or record the rights hereby assigned to the Assignee and to reflect Assignee's or Assignee's successors' and assigns' ownership thereof, to the extent that such inventors, agents, employees or contractors have an obligation to Assignor to do so.
- Assignor and Assignee agree that in the event that any of the provisions herein conflict with the provisions of other existing or contemporaneous agreements between the Assignor and the Assignee, such other agreements shall control.

The Assignee has executed this Assignment by its duly authorized undersigned representative, effective as of November 16, 2001.
