ASSIGNMENT

Docket No. D347.32 PCT US

Peter Hall
to
Edison Welding Institute

WHEREAS, I, Peter Hall, of Upper Arlington, in the County of Franklin and in the State of Ohio have made certain inventions in SOLDERING ALLOY for which I am about to make application for Letters Patent of the United States; and

WHEREAS, Edison Welding Institute, a corporation of Ohio, having a place of business at 1250 Arthur E. Adams Drive, Columbus, Ohio 43221, herein called "ASSIGNEE", is desirous of acquiring the entire right, title, and interest in said invention and application therefor, and in any patent or patents to be obtained therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that, for good and valuable considerations, the receipt of which is hereby acknowledged, I have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto the said Assignee, the entire right, title, and interest in and to the invention shown, described, or claimed therein, and the full and exclusive right and title to the said application filed by us preparatory to obtaining Letters Patent of the United States therefor; and any provisional and international applications on which it is based including US Provisional Application No. 60/129,622 filed 16 April 1999 and PCT Application No. PCT/US00/10233 filed 14 April 2000; and in and to any extensions, reissues, divisions, or renewals thereof; and I do hereby authorize and request the Commissioner of Patents or other proper Officer, to issue such Letters Patent, or any of them, to the said Assignee, as the assignee of my entire right, title, and interest in and to the same for the sole use and behoof of the said Assignee, and its successors or assigns.

And I further covenant and agree that I will, at the request and expense of the said Assignee, execute such other and further assurances of title as may be necessary or proper to fully convey the interest herein sought to be conveyed; that I will, at the request and expense of the said Assignee, execute such application papers as may be desired by the said Assignee for the filing of any division or renewal of the application herein conveyed, or for reissues or extensions of any Letters patent that may be granted upon said application, and will execute such Supplemental Oaths and Preliminary Statements, or other papers as desired by the said Assignee.

And I further assign unto the said Assignee the whole right, title, and interest to the invention disclosed in the application throughout all countries foreign to the United States, and do hereby authorize the said Assignee to apply for the patents therefor in its own name in countries where such procedure is proper and to claim the benefit of the International Convention and any previous foreign, provisional, and international applications on which this application is based and do agree to execute applications for the said invention in the several countries where it is necessary that the same be executed by the inventor, and to execute assignments of such applications and the patents to be obtained therefor to the said assignee, as well as all other necessary papers.

IN TESTIMONY WHEREOF, I have hereunto set my hand at Columbus, Ohio, this 5th day of October, 2001.

 Peter Hall
