NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Assignor hereby sells, assigns, transfers and sets to the Assignee the entire right, title and interest in and to the Intellectual Property Rights as set forth in Schedule A, including, but not limited to, (i) all the patents and patent applications, in all countries, including all divisions, substitutes and continuations thereof, and all United States Letters Patents, including, but not limited to, all patent and patent application rights, which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Extensions thereof, and all applications for patents, including related rights such as utility-model registrations, investor's certificates, and the like, heretofore or hereafter filed for the Intellectual Property Rights in any foreign countries, and all patents, including all extensions, renewals and reissues thereof, granted for the Intellectual Property Rights in any foreign countries; and (ii) all the trademarks, service marks, trade names, and applications for trademarks, service marks and trade names, in all countries, including the goodwill of the business represented thereby, and including any and all rights in and to any Internet domain names owned by the Assignor. All rights of recovery for past infringement of the Intellectual Property Rights are hereby transferred to the Assignee, to have and to hold for its own use and enjoyment, and for the use and enjoyment of its successors and assigns, as fully and completely as the same would have been held by the Assignor had this assignment and sale not been made.

The Assignor further covenants and agrees that the Assignee will be promptly provided with all pertinent facts and documents relating to said Intellectual Property Rights, and legal equivalents in foreign countries as may be known and accessible to the Assignor and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to the Assignee or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said Intellectual Property Rights, and said equivalents thereof in any foreign country which may be necessary or desirable to carry out the purposes thereof.
