ASSIGNMENT

In consideration of One Dollar and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assign to MAGIC LANTERN, LLC, a Limited Liability Company organized under the laws of the State of Kansas, having a principal place of business at 9875 Widmer Road, Lenexa, Kansas 66215, its successors and assigns (hereinafter "Assignee"), the entire worldwide right, title and interest in the invention or improvements of the undersigned disclosed in the following application for United States Letters Patent executed of even date herewith:

Title: LASER PROJECTION SYSTEM
Serial No.: _____
Filed: _____

and any and all other applications for Letters Patent which the Assignee or the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications, including any identified above, and in any reissue or extension thereof.

The undersigned hereby authorize and request the Commissioner for Patents to issue said Letters Patent to said Assignee.

The undersigned hereby authorize and request the attorneys of record in said application(s) to insert in this Assignment the serial number and filing date of said application(s).

For said considerations, the undersigned hereby agree, upon the request and at the expense of said Assignee, to execute any divisional, continuation, continuation-in-part or substitute application for said invention or improvements, and any oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application(s), and, in the event of any application or Letters Patent assigned herein becoming involved in an interference or litigation, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agree to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and/or any other country or region and to vest in said Assignee, to the full end of the term for which said Letters Patent may be granted as fully

and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

And for said consideration, the undersigned hereby assign to said Assignee the entire right, title and interest in said invention and improvements for all foreign countries, including all rights to claim priority therein based on any applications and/or Letters Patent, and agree to execute, at the request of said Assignee, all documents, including without limitation further assignments, in connection with any application for foreign Letters Patent and foreign Letters Patent therefor.
