ASSIGNMENT

WHEREAS, we, Daniel J. Stiers and James T. Williamson, have made certain improvements in a HEMMING AND IN-SITU LASER WELDING METHOD AND APPARATUS, for which we are about to make application for Letters Patent of the United States of America; and

WHEREAS, UNOVA IP Corp., a corporation organized and existing under the laws of the State of Delaware and having a principal place of business at 21900 Burbank Boulevard, Woodland Hills, California 91367-7418 is desirous of acquiring the entire right, title and interest in and to said invention;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, Daniel J. Stiers and James T. Williamson, by these presents, do hereby sell, assign and transfer unto the said corporation and its assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest, including all priority rights under the International Convention associated with each country of the Union, in and to said invention as described in the patent application executed by us on March 5/March 8, 2002 preparatory to obtaining Letters Patent of the United States thereon, and in and to said application and any Letters Patent that may be granted in pursuance of said application and any divisional, continuation or continuation-in-part application thereof, and in and to any reissue and reexamination of any such patent, including United States provisional patent application Ser. No. 60/275,165 filed March 12, 2001, and in and to any patent applications which may be filed on said invention in countries foreign to the United States and any Letters Patent granted thereon.

We further authorize said corporation to apply for foreign patents on said invention in its own name or through its designees, including subsidiaries, related companies or assignees, under the International Convention or otherwise, and we further agree to execute all papers, including those required for the United States and foreign application, and to perform such other proper acts as said corporation may deem necessary to secure to said corporation or its designees the rights herein assigned.
