

ASSIGNMENT

WHEREAS, we, Steve Wong, resident of 19 Lam Lok Street, Kowloon Bay, Hong Kong, China; Neville Glenn, resident of 122 Harbour Street, RR3, Brighton, Ontario K0K 1H0, Canada; William Rakocy, resident of 30 Windward Lane, Madison, CT 06443; and David Bean, resident of 4460 Tanglewood Trail, St. Joseph, MI 49085; have invented certain new and useful improvements in a BATTERY-POWERED WASHER as fully set forth and described in our application for United States Letters Patent.

WHEREAS, International Concepts, Inc., a corporation of the State of Michigan, of 4460 Tanglewood Trail, St. Joseph, Michigan 49085, is desirous of acquiring our entire right, title and interest in and to the said invention, and in and to Letters Patent of the United States and of any and all foreign countries which may issue therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we have assigned, sold and transferred and do hereby assign, sell and transfer unto said International Concepts, Inc., all of our right, title and interest in and to the aforesaid invention and in and to said application and any Letters Patent of the United States and of any and all foreign countries which may issue therefor, including all Letters Patent issuing upon any continuation, division, renewal or revival of the aforesaid patent and any reissue patent for the aforesaid invention, the same to be held and enjoyed by said International Concepts, Inc. for its own use and behoof, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made.

We hereby promise and agree, upon request, to execute all papers and all assignments necessary for the procurement of the United States and foreign Letters Patent and all assignments necessary to convey the legal title thereof to said International Concepts, Inc. We hereby further promise and agree to perform all rightful acts that may be necessary and permissible in any interference proceeding or legal action in which said invention, patent application or Letters Patent may become involved, for the purpose of proving the facts relating to our conception, development and completion of the aforesaid invention.
