- ☒ For which a provisional application for a United States Patent was filed on March 14, 2001, and assigned Serial No. 60/275,609; and
- ☒ For which an application for a United States Patent was executed on (1) March 14, 2002.

WHEREAS, Polymorphic Data Corporation, a corporation of Delaware, having a place of business at 305 Spring Creek Village, #520, Dallas, Texas 75248 (hereinafter called PDC), is desirous of obtaining the entire right, title and interest in, to and under said invention and the said application in the United States of America and in any and all countries foreign thereto;

NOW, THEREFORE, for a valuable consideration, receipt whereof is hereby acknowledged, we, the above-named, hereby sell, assign, transfer and set over to PDC, its successors, legal representatives, and assigns, my entire right, title and interest in, to and under the said application and invention, and all divisional, renewal, substitutional, and continuing application thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof; and all applications for Letters Patent which may be filed for said invention in any country or countries foreign to the United States of America, including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention, all rights to register said invention in appropriate registries, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States of America and all extensions, renewals and reissues thereof; and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to PDC, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY further covenant and agree that I will communicate to said PDC, its successors, legal representatives and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, renewal, substitutional, continuing and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid the said PDC, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.
