**ASSIGNMENT**

IN CONSIDERATION of One Dollar and other good and valuable consideration, receipt of which is hereby acknowledged, we, Mario Boisvert and Randall Perrin, citizens of Canada and the United States of America, and residing at 43 Old US 131, Reed City, MI 49677 and 667 Cobb Street, Cadillac, MI 49601, do hereby sell, transfer, set over and assign unto NARTRON CORPORATION, a Michigan corporation having its principal place of business at 5000 North US 131, Reed City, MI, 49677, respectively, its successors, assigns, nominees, or other legal representatives, the entire right, title and interest in and to the invention entitled COLLISION MONITORING SYSTEM, invented by us and the application for United States patent therefor, executed concurrently herewith, and all original and reissued patents granted therefor, and all divisions and continuations thereof, including the subjects-matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents in countries foreign to the United States, and in and to any Letters Patent which may be granted thereon in such foreign countries, and authorize and request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue the said Letters Patent to the said NARTRON CORPORATION, its successors, assigns, nominees or other legal representatives, as assignee and owner of the said entire interest, and covenant that we have full right to convey said entire interest herein assigned and that we have not executed and will not execute any agreement in conflict herewith, and agree that

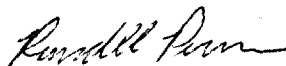

We will communicate to said NARTRON CORPORATION, its successors, assigns, nominees or other legal representatives, all facts known to us respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute and deliver all divisional, continuing and reissue applications, make all rightful oaths and do all lawful acts requisite for the application for such divisional, continuing or reissue applications, or the procuring thereof, and that if and when said NARTRON CORPORATION, its successors, assigns, nominees or other legal representatives desire to file a disclaimer relating thereto, we will upon request, sign and deliver all lawful papers requisite for the filing of such disclaimer, and

We further covenant and agree that we will, at any time upon request, do everything legally possible to aid said NARTRON CORPORATION, its successors, assigns, nominees or other legal representatives, either in its or our own name, to apply for, obtain and enforce proper patent protection in all countries, including priority rights granted to patents in foreign countries according to all the laws and treaties in force, all without further consideration but at the expense of said NARTRON CORPORATION, its successors, assigns, nominees or other legal representatives.
