which each inventor has executed on the date indicated below next to each inventor's name.

Pursuant to an agreement between the individual inventors and Deere & Company, a Delaware corporation having its principal office at Moline, Illinois, or Albuquerque Real Time Systems, Inc., with its principal place of business at Albuquerque, New Mexico, as well as other good and valuable considerations paid to each inventor, each inventor agrees to assign, and hereby does assign to Deere & Company and Albuquerque Real Time Systems, Inc., equally, the entire right, title and interest which said inventor has or may have to the Invention.
