ASSIGNMENT OF INVENTION

WHEREAS, I, Michael Gary Fatica, residing in Warwick, Rhode Island, together with Leo Michael Landoll, residing in Hockessin, Delaware, Annette Marie Comer, residing in Covington, Virginia and Francis John Kolpak, residing in Landenberg, Pennsylvania, jointly have made a certain new and useful invention in FILM, which is the subject of U.S. Patent No. 6, 139,930.

WHEREAS, I, Michael Gary Fatica was an employee of a predecessor-in-interest of Applied Extrusion Technologies, Inc. (hereinafter "AET") at the time that the invention was made, having an obligation to assign the invention and '930 patent to AET.

WHEREAS, AET, a corporation organized and existing under the laws of the State of Delaware, is desirous of acquiring the entire right, title and interest in and to the invention in and throughout the United States, its territories and all countries foreign thereto, in and said U.S. Patent No. 6,139,930, in and to all renewals or reissues of said U.S. Patent No. 6, 139,930, and in and to all other patents in all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, and all international priority rights associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Michael Gary Fatica, by these presents do sell, assign and transfer unto the said AET my entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto, in and to said invention, in and to said U.S. Patent No. 6, 139,930, in and to all renewals or reissues of said U.S. Patent No. 6, 139,930 and in and to all other patents in all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, and all international priority rights associated therewith;

TO BE HELD AND ENJOYED by the said AET and its legal representatives and assigns to the full ends of the terms for which said Letters Patents, or any of them, have been granted or may be granted as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made; and I hereby agree for myself, my heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other application for Letters Patent based upon said U.S. Patent No. 6, 139,930 that may be deemed necessary by the AET, fully to secure to AET, its interest as aforesaid in and to said invention or any part thereof, and in and to said U.S. Patent No. 6, 139,930 and any reissues or renewals thereof.

IN WITNESS WHEREOF, I, Michael Gary Fatica, intending to be legally bound, have hereunto affixed my hand and seal this 25 day of February, 2002.
