A S S I G N M E N T:

Whereas I, Hans Wölfges, hereinafter called the assignor, a citizen of Germany, have invented a certain improvement for which National Stage application for Letters Patent of the United States of America was made in the US Patent & Trademark Office under Serial No. 09/890,838 with date of receipt of 35 USC 371 requirements being August 3, 2001 in international PCT application PCT/EP00/01013 filed February 9, 2000 entitled SOLENOID VALVE, and whereas Bosch Rexroth AG, hereinafter called the assignee, a corporation organized under the laws of Germany, having an address, Zum Eisengiesser 1, D-97816 Lohr/Main, Germany, is desirous of acquiring an interest therein:

Now, therefore, in consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, by these presents, the assignor, does sell, assign and transfer unto the said assignee the entire right, title and interest, for the territory of the United States of America, in and to said invention as described in the specification and claims of said application; said invention, application and

Letters Patent, including any continuations, divisions, reexaminations or reissues thereof, to be held and enjoyed by the said assignee for its own use and behoof, and for its legal representatives, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by the assignor had this assignment and sale not been made. Further in consideration of the above, the assignor agrees to do whatever is necessary to aid in the securing or preservation of protection on this invention, application(s), and patent(s).
