## U.S. ASSIGNMENT

WHEREAS, We, Christopher M. Johnson, Terrill M. Porter, Ralph C. McCann and Norm DeCost, (hereinafter called assignors) have invented certain new and useful improvements in CART, for which an application for Letters Patent of the United States has been executed on even date herewith; and

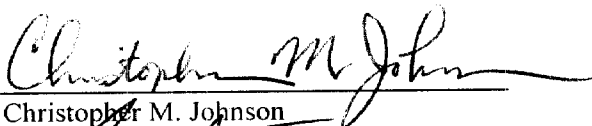

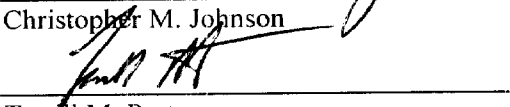

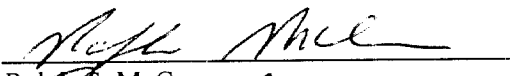

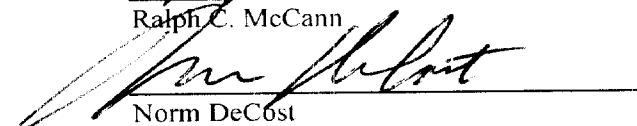

WHEREAS, Rehrig International, (hereinafter called assignee), is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefore;

NOW THEREFORE, for good and valuable consideration to us paid by the said assignee, receipt of which is hereby acknowledged, we, the above named assignors, hereby sell, assign and transfer to the above named assignee, its successors and signs, the entire right, title and interest in and to the application, the invention disclosed therein and the Letters Patent, both foreign and domestic, that may or shall issue, including all of our rights under any and all international conventions, treaties and/or agreements concerning patents to which the United states of America is a party; and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned assignee in accordance herewith.

We further authorize the assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of any international convention, treaty and/or agreement.

We do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of said applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
