ASSIGNMENT

WHEREAS, Barrett Enclosures, Inc. (hereinafter referred to as ASSIGNOR), a corporation of the State of Washington having a place of business at 1116 West Ewing Street, Seattle, Washington 98119, is the owner of record of the inventions described and claimed in the patents and patent applications set forth in SCHEDULE A annexed hereto and made a part hereof;

WHEREAS, B.E. Holdings, LLC (hereinafter referred to as ASSIGNEE), a corporation of the State of Washington having a place of business at 1116 West Ewing Street, Seattle, Washington 98119, is desirous of acquiring the entire right, title and interest in and to said patents, patent applications, and trademarks set forth in SCHEDULE A, and in and to any and all patents that may be granted thereof in the United States and in any and all countries foreign to the United States;

NOW, THEREFOR, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns and transfers unto ASSIGNEE the entire right, title and interest in and to said trademarks, inventions, any and all letters patents which may be granted for said inventions in the United States of America and its territorial possessions and in any and all foreign countries, said trademarks, applications, any and all letters patents which may be granted from said applications in the United States of America and its territorial possessions and in any and all foreign countries, and said patents, as set forth in SCHEDULE A, and in any and all divisions, reissues and continuations thereof, including the right to file United States and foreign applications directly in the name of ASSIGNEE, and to claim priority rights deriving from any of said United States and foreign applications set forth in SCHEDULE A to which said United States and foreign applications are entitled by virtue of international convention, treaty or otherwise, said trademarks, inventions, applications and all letters patents on said inventions to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer and sale not been made. ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks, and any official of any country or countries foreign to the United States whose duty it is to record the rights to patents and patent applications and title thereto, to record the right to trademarks, inventions, applications, and patents as set forth in SCHEDULE A as the property of

ASSIGNEE, and to issue all letters patents on said inventions to ASSIGNEE. ASSIGNOR agrees to execute all instruments and documents as may be required, for the making and prosecution of applications for United States and foreign letters patents on said inventions, for the effective recordation of this transfer of rights in any and all countries, and to execute documents as may be required to establish ASSIGNOR as the owner of the inventions, applications, and letters patents as set forth in SCHEDULE A, for litigation regarding said trademarks, said applications or said letters patents therefore, and for the purpose of protecting title to said trademarks, said inventions, said applications or said letters patent therefore, in the United States or countries foreign to the United States.
