## ASSIGNMENT

WHEREAS, I, Rex Carswell George Niven, the undersigned inventor (ASSIGNOR), have invented "Safety/Warning Device", for which we are about to file application for letters patent of the United States; I have executed the application concurrently with executing this assignment; I am the owner of this invention and improvements; and

WHEREAS, Eflare Corporation Pty Ltd (ASSIGNEE) is a corporation organized and existing under the laws of Australia having a place of business at 222 St. Kilda Road, St. Kilda Victoria 318, Australia. ASSIGNEE desires to acquire the entire right, title and interest in and to the inventions, applications and letters patent to be granted and issued for the invention and applications;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) by the ASSIGNEE to me paid, and other valuable consideration, the receipt and legal sufficiency of all of which I acknowledge, I, the ASSIGNORS, have sold and do hereby sell, assign, transfer and set over unto the ASSIGNEE, its successors and assigns, the entire right, title and interest:

in and to the invention and all improvements thereon,

in and to the application for letters patent thereon,

in and to applications pertaining to or based upon the invention and application, including divisional and continuing applications and continuations-in-part,

in and to any and all letters patent which may be granted and issued on the invention and application, or any of them, not only for, to and in the United States of America, its territories and possessions, but for, to and in all foreign countries, and

in and to any right to sue for past infringement of the invention, improvement, application and letter patent.

And for the above-named considerations, I agree that I will, at the request of the ASSIGNEE, execute any and all applications for letters patent for the invention and any and all other papers and documents and do all other and further lawful acts that the ASSIGNEE may deem necessary or desirable to obtain letters patent on the invention, to secure the grant of such letters patent and to perfect and vest in the ASSIGNEE the entire right, title and interest in the invention, application and letter patent.

And for the above-named considerations, I authorize and empower the ASSIGNEE, its successors and assigns, to apply for and obtain, in its or their own names, letters patent for the inventions before competent International Authorities including the World Intellectual Property Organization and in any and all foreign countries in which application for letter patent can be so made or letter patent so obtained.
