ASSIGNMENT

PARTIES AND RECITALS

I, John W. Gemmell, a citizen of the United States of America, residing at 61 Conch Reef, Aliso Viejo, California 92656 (hereinafter referred to as the Assignor), have invented an invention entitled **A LINE PRINTER WITH STAGGERED MAGNETICS** for which an application for United States Letters Patent has been duly executed on 3/26, 2002.

Printronic, Inc., a Delaware corporation located at 14600 Myford Road, Irvine, California 92606 (hereinafter referred to as the Assignee), is desirous of acquiring the entire and exclusive right, title and interest in and to said invention, said application, and in and to any Letters Patent which may be granted and issued therefor in the United States and throughout the world.

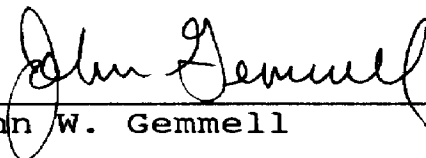

ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I, the above named Assignor by these presents do sell, assign and transfer unto said Assignee and the successors and assigns of said Assignee, without any reservation thereto, the entire and exclusive right, title and interest to said invention and all improvements thereon as

well as said patent application, in the United States and corresponding applications throughout the world, and in and to any Letters Patent which may be granted and issued thereon in the United States and throughout the world. I agree without additional consideration to execute said above described application and any corresponding applications, provisional applications, divisions, continuations, or continuations in part thereof, or any other documents, including those for reexamination, or reissue, now or hereinafter necessary to perfect the rights herein assigned.

The United States Commissioner of Patents is hereby authorized and requested to issue said United States Letters Patent to said Assignee, its successors and assigns.

Executed this 26 day of MARCH, 2002
at Irvine, California.

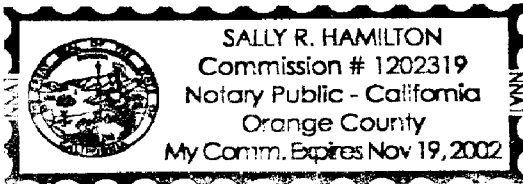

John W. Gemmell
