ASSIGNMENT

WHEREAS, Richard Saalsaa has made an invention or discovery entitled METHOD AND SYSTEM FOR INTEGRATING A COMPUTER AIDED DISPATCH SYSTEM WITH AN EMERGENCY MEDICAL DISPATCH PROTOCOL which is described and claimed in the attached United States patent application; and

WHEREAS, Medical Priority Consultants, Inc. (MPC) a Utah corporation, is desirous of acquiring all his rights, title and interest in said invention or discovery:

NOW, THEREFORE, in return for good and valuable consideration, including employment and salary and benefits provided by MPC, the defined duties of such employment including the development of new technology and inventions, receipt of which is hereby acknowledged, I by these presents do sell, assign, and transfer unto MPC all my rights, title and interest in and to the following: (1) said invention or discovery as described in said application, (2) said application, (3) any Letters Patent issuing from said application and (4) all intellectual property (including patent rights, trade secrets and copyrights) in or to said invention or discovery. Said assignment is without any geographic limitation and shall include the United States of America and all foreign countries. All my rights, title and interest in said invention or discovery, said application, any Letters Patent issuing from said application and said intellectual property are to be held and enjoyed by MPC, for its own use and behalf, and for that of its legal representatives and assigns, as fully and entirely as the same would have been held by me had this assignment and sale not been made. MPC shall be free to assign, license or otherwise exploit said invention or discovery, said application, any Letters Patent issuing from said application, and said intellectual property.

AND I do further agree to sign all papers, make all rightful oaths and do all requisite acts for the filing of any disclaimer or for the filing and assignment of any other application (including divisional, continuing, reissue and foreign applications) based on the present application or said invention or discovery. Any such other application is deemed to be part of the above assignment.

AND I do further agree to communicate to MPC, its successors, assigns or other legal representatives, such facts relating to said invention as may be known to me, and to testify as to such facts in any prosecution, interference or litigation.

EXECUTED by the undersigned on the date indicated.
