## ASSIGNMENT OF PATENTS

WHEREAS, I, David Lamm, an individual having a place of business at 418 Gateway Blvd., Burnsville, MN 55337 have made certain new and useful invention(s) that are embodied in the application(s) for Letters Patent of the United States and/or issued U.S. patent(s) listed in attached Schedule A; and

WHEREAS, Trisense Software, Ltd., a corporation organized and existing under the laws of the state of Minnesota, and having a business address at 418 Gateway Blvd., Burnsville, MN 55337 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions, said application(s) and in, to and under any and all Letters Patent to be obtained therefor and each issued patent listed in attached Schedule A;

WHEREAS, I have licensed Assignee to use said inventions and now wish to assign rights in the said inventions to Assignee;

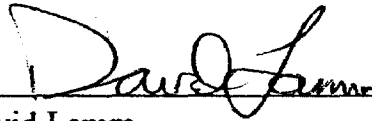

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration to me in hand paid by said Assignee, the receipt of which is hereby acknowledged, I have sold; assigned and transferred, and by these presents do hereby sell, assign and transfer unto said Assignee, its successors and assigns, my entire right, title and interest in and to said invention(s), each said issued patent, said application(s), all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that have issued or may or shall issue thereon, including all reissues, re-examinations or extensions thereof and all of my rights under the International Convention, and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

I further authorize said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention for any patent application(s) listed in Schedule A attached.

Upon said consideration, I do hereby covenant and agree with the said Assignee, its successors and assigns, that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon request, without further or additional consideration, but at the expense of said Assignee, its successors or assigns, execute such additional writings and do such additional acts as said Assignee, its successors or assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued, re-examined or extended Letters Patent of the United States, or of any and all foreign countries on said inventions, and in

enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal this 30 day of March, 2001.

  
David Lamm

**Patent Assignment**

In consideration of the sum of One Dollar (\$1.00) or equivalent and other good and valuable consideration, receipt of which is hereby acknowledged, Trisense Software, Ltd., having an office and place of business at 418 Gateway Boulevard, Burnsville, Minnesota 55337 (the "Assignor"), hereby sells and assigns to Group 1 Software, Inc., having an office and place of business at 4200 Parliament Place, Suite 600, Lanham, Maryland 20706-1844 (the "Assignee"), the entire right, title and interest for the United States of America (as defined in 35 U.S.C. § 100), and any corresponding right throughout the world, including the right to sue for past infringement and collect for all past, present and future damages, to U.S. Patent No. 6,078,907, which was issued on June 20, 2000, and any and all applications that claim the benefit to said patent, including continuation applications, reissues, extensions, renewals, and reexaminations of said patent and in any and all inventions described in U.S. Patent No. 6,078,907, and in all forms of intellectual and industrial property protection derivable therefrom; all such rights, title and interest to be held and enjoyed by the above-named Assignee, its successors, legal representatives and assigns to the same extent as all such rights, title and interest would have been held and enjoyed by the Assignor had this assignment and sale not been made.

The Assignor agrees to execute all papers necessary in connection with U.S. Patent No. 6,078,907, and any continuing, reissue, reexamination or corresponding applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Assignor agrees to execute all papers necessary in connection with any interference or patent enforcement action (judicial or otherwise) related to U.S. Patent No. 6,078,907, or any continuing, reissue or reexamination applications thereof and to cooperate with the Assignee at Assignee's expense in every reasonable way possible in obtaining evidence and going forward with such interference or patent enforcement act.

The Assignor hereby represents that Assignor has full right and authority to convey the entire interest herein assigned, and that Assignor has not executed, and will not execute, any agreement in conflict therewith.

SIGNED on behalf of the said ASSIGNOR, Trisense Software, Ltd.
