for which we have on December 12, 2001 submitted an application for patent in the United States, which application has been assigned serial number 29/151,970, and

WHEREAS, Gerber Products Company, a Michigan corporation, having a place of business at 728 Booster Boulevard, Reedsburg, Wisconsin 53959, hereinafter generally referred to as "ASSIGNEE", is desirous of acquiring said invention and said application for patent, and

WHEREAS, now and at the time the invention was made, said invention was subject to an obligation by ASSIGNORS to assign their entire right, title and interest therein to ASSIGNEE.

NOW, THEREFORE, in consideration of the sum of One Dollar and other good and valuable executed consideration, the full receipt and sufficiency of all of which are hereby acknowledged, and intending to be legally bound hereby, we, the undersigned ASSIGNORS, hereby agree to sell, assign, transfer and convey and by these presents do sell, assign, transfer and convey unto the above-named ASSIGNEE, the whole and entire right, title and interest

in and to said invention as described in the above application for patent, for the territory of the United States and its possessions and territories and all foreign countries, and

in and to the above application for patent and any and all United States patents which may be granted on said application and all United States and foreign patents and other protection which may be granted on said invention including divisions, reissues and continuations;

said invention, application and patents and other protection to be held and enjoyed by the above-named ASSIGNEE, for ASSIGNEE's own use and behoof, and for ASSIGNEE's legal representatives and assigns to the full end of the term or terms for which said patents may be granted, as fully and entirely as the same would have been held by the undersigned ASSIGNORS had this assignment and sale not been made; and for the aforesaid consideration ASSIGNORS hereby covenant, agree and undertake to execute, whenever requested by the above-named ASSIGNEE, all patent applications, assignments, lawful oaths and any other papers which ASSIGNEE may deem necessary or desirable for securing to ASSIGNEE or for maintaining for ASSIGNEE all the patents and other protection hereby assigned or agreed to be assigned; all without further compensation to the undersigned ASSIGNORS.
