Patent Assignment

WHEREAS, Summit Medical Ltd., ("Assignor") a corporation organized and existing under the laws of the United Kingdom, and located at Industrial Park, Bourton on the Water, Cheltenham, Gloucestershire GL54 2HQ, United Kingdom, is the owner of certain United States Letters Patent and United States Patent Applications, as identified on Schedule A and Schedule B attached hereto ("Patents"), and the inventions identified on Schedule A and Schedule B ("Inventions");

WHEREAS, Summit Medical (Holdings) Limited, ("Assignee") a corporation organized and existing under the laws of the United Kingdom, and located at Industrial Park, Bourton on the Water, Cheltenham, Gloucestershire GL54 2HQ, United Kingdom, desires to acquire the right, title and interest in and to the Patents and the Inventions;

WHEREAS, Assignor desires to assign and transfer to the Assignee all right, title and interest in and to the Patents and the Inventions;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to the Assignee said Inventions and Patents, any applications for Letters Patent, any continuations of Letters Patent, any reissue or reissues of said Letters Patent already granted and/or which may be granted on said applications, the same to be held and enjoyed by the Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which said Patents are or may be granted or reissued as fully and entirely as the same would have been held and enjoyed by the Assignor, if this assignment and sale had not been made; together with

all claims for damages by reason of past, current or future infringement of the Patents, with the right to sue for and collect the same for its own use and behoof, and for the use and behoof of its successors, assigns or other legal representatives.

Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all Patents on said inventions or resulting from said applications or any division or divisions thereof to Assignee, as the owner of the entire interest.

Assignor hereby covenants that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreements in conflict therewith.
