ASSIGNMENT

WHEREAS, Randy T. Sprout and Susan M. Sprout, both of Wildwood, Missouri hereinafter referred to as Assignors, are the inventors of a certain new and useful invention relating to an **INTERACTIVE VIRTUAL REALITY PERFORMANCE THEATER SYSTEM**, for which Assignors made application for Letters Patent in the United States, said application having been filed in the United States Patent and Trademark Office on July 17, 2000; being U.S. Serial No. 09/617,388 and for which Assignors have filed a corresponding Patent Cooperation Treaty international application number PCT/US 01/22439, having a filing date of July 17, 2001; and

WHEREAS, Assignors are the owners and in full possession of the entire and undivided right, title and interest in and to said invention and in and to any and all Letters Patent that may be granted therefor; and

WHEREAS, Ham on Rye Technologies, Inc., a Missouri corporation, hereinafter referred to as Assignee, having its principal office and place of business at 2612 East Avenue, Wildwood, MO 63040, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent that may be granted therefor in every country, including the right to sue for all past infringement thereof; and

NOW, THEREFORE, for and in consideration of the sum of One Dollar (U.S. \$1.00) and other valuable consideration to Assignors paid by said Assignee, receipt of which is hereby acknowledged, Assignors do hereby sell, assign and transfer unto said Assignee, the entire right, title and interest in and to said invention, said applications, and in and to any and all Letters Patent, both United States and foreign, that may be granted therefor, together with any and all continuations, divisions, or reissues, and together with the right to sue for all past infringement of such patents and/or patent applications; and
