## ASSIGNMENT

WHEREAS, we, Joseph De Bellis, of Southampton, New York 11968, and Adriano A. Freire, of Southampton, New York 11968 have invented certain new and useful improvements in a SEARCH-ON-THE-FLY REPORT GENERATOR, for which an application for Letters Patent of the United States has been filed under Application Serial No. **10/062,459** on **February 5, 2002**; and

WHEREAS, Joseph De Bellis, of Southampton, New York 11968 is desirous of acquiring the entire right, title and interest in and to said invention, said nonprovisional and provisional applications and in, to and under any and all Letters Patent to be obtained therefor;

WHEREAS, I have invented certain new and useful improvements in the Invention identified above and described in the above-identified patent application(s) and/or patents(s) (hereinafter referred to as "Invention");

And, whereas, I desire to assign my above-identified rights, title and interest in the Invention to the above-identified Assignee;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged;

I hereby assign, sell and transfer my above-identified rights, title and interest in said Invention, said application(s) as identified above, including any divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted or have granted for said Invention, and in and to any and all reissues and reexaminations thereof, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee;

And I hereby authorize and request the Commissioner of Patents and Trademarks to issue any United States Letters Patent which may issue for said Invention to said Assignee, as assignee of the whole rights, title and interest thereto;

And I further agree to sign and execute all necessary and lawful future documents, including applications for foreign patents, for filing divisions, continuations and continuation-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee or its Designee(s) may from time to time require and prepare at its own expense.

IN WITNESS WHEREOF, I, Adriano A. Freire have signed and delivered this Assignment on the date set forth below.
