ASSIGNMENT

*All Subject To Representation Agreement between Paul G. Rufolo
& Competitive Tech. Inc.*

IN CONSIDERATION of One Dollar (\$1.00) and/or other good and valuable considerations to **Paul G.**

Rufolo in hand paid by **COMPETITIVE TECHNOLOGIES, INC.**, a corporation organized and existing under the laws of the State of Delaware, and having a place of business at 1960 Bronson Road, Fairfield, Connecticut 06430 the receipt and sufficiency whereof are hereby acknowledged, each of the undersigned does hereby sell, assign, and set over the aforesaid Competitive Technologies, Inc., and said assignee's successors, assigns, or legal representatives all their right, title and interest in and to our invention for the new and useful improvements in "**Method and System For Cleaning Underwater Pipes**" as covered by Letters Patent of the United States of America Patent No. **5,444,887** filed on **December 4, 1991**, the said interest being the entire ownership of said invention, said Letters Patent, and of any reissues, extension or extensions, division or divisions, continuation or continuations-in-part of said Letters Patent which may be granted for said invention, to be held and enjoyed by the aforesaid Competitive Technologies, Inc., its successors, assigns or legal representatives to the full end of the term for which said Letters Patent may be granted in the United States, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

AND each of the undersigned hereby sells and assigns to said Competitive Technologies, Inc., its successors, assigns or legal representatives all their right, title and interest to said recited invention, including the right to apply for and obtain Letters Patent or other like protection in respect to said invention in any and all countries foreign to the United States in our name, or in the name of Competitive Technologies, or in the joint names of both, or in such name as Competitive Technologies, Inc. may think fit, the said interest being the entire ownership of any and all Letters Patent and extension or extensions, division or divisions of said Letters Patent which may be granted for said invention in any and all of said foreign countries to be held and enjoyed by the aforesaid Competitive Technologies, Inc., its successors, assigns or legal representatives to the full end of the term or terms for which said Letters Patent may be granted in any and all of said foreign countries as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

AND each of the undersigned hereby authorizes and requests the United States Commissioner of Patents to issue said United States Letters Patent on said invention or resulting from said application and from any and all divisions and continuations hereof to the said Competitive Technologies, Inc., as an assignee of the entire interest, its successors, assigns or legal representatives, and they hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed and will not execute any agreement in conflict therewith.

AND each of the undersigned further covenants and agrees that they will upon request, without further or additional consideration, but at the expense of the assignee, execute and deliver any and all papers that may be

necessary or desirable to perfect the title to said invention or any Letters Patent that may be granted therefore, in said Competitive Technologies, Ins., its successors, assigns or legal representatives, and that if said Competitive Technologies, Inc. its successors, assigns or legal representatives desire to secure a division, reissue or extension of said letters Patent, or that a disclaimer relating thereto should be filed, that they will, upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for such division, reissue, extension or disclaimer.

AND each of the undersigned further covenants and agrees that they will at any time upon request communicate to said Competitive Technologies, Inc., its successors, assigns or legal representatives any facts relating to said invention and Letters Patent, or the history thereof known to them, and testify as to same in any interference or other litigation when requested so to do.

AND each of the undersigned further covenants that the foregoing provisions shall be binding upon their heirs, legal representatives, administrators, or assigns.

IN WITNESS WHEREOF, each of the undersigned has hereunto set their hands on the date indicated.
