WHEREAS, I (We) **Kersti Strandqvist**

as assignor(s), have invented certain improvements in

“Absorbent structure having improved absorption properties”

which was executed under even date herewith and which is
Application No. _____, filed _____, which application number and filing date I (we) hereby
authorize and request my attorney to insert in this assignment when known. And whereas

SCA HYGIENE PRODUCTS AB of S-405 03 Goteborg, Sweden

as assignee, is desirous of acquiring all right, title and interest for the United States in and to
said invention and any U.S. Patent that may be granted therefor.

NOW, THEREFORE, in consideration of One Dollar (\$1.00), and other good and
valuable consideration, the receipt of which is hereby acknowledged, I (we), as assignor(s),
hereby sell, the entire right, title and interest for the United States in and to said invention and
the aforesaid United States application for Patent, all original, divisional, continuation,
substitute or reissue applications and patents applied for or granted therefor in the United
States including all rights of priority from the filing of said application, and the
Commissioner of Patents is hereby authorized and requested to issue all patents on said
invention or resulting therefrom to said assignee herein, as assignee of the entire interest
therein; and the undersigned for myself (ourselves) and my (our) legal representatives, heirs
and assigns do hereby agree and covenant without further remuneration, to execute and
deliver all divisional, continuation, reissue and other applications for Patent on said invention
and all assignments thereof to said assignee or its assigns, to communicate to said assignee or
its representatives all facts known to the undersigned respecting said invention, whenever
requested, to testify in any interferences or other legal proceedings in which any of said
applications or patents may become involved, to sign all lawful papers, make all rightful
oaths, and to do generally everything necessary to aid said assignee, its successors, assigns
and nominees to obtain patent protection for said invention in the United States, the expenses
incident to said applications to be borne and paid by said assignee.
