ASSIGNMENT OF PATENTS AND APPLICATIONS FOR PATENT

Attorney Docket: FEOLJ00100

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned, John Feola, of 42 Irving Street, Medford, Massachusetts, 02155:

Hereby sells, assigns and transfers to New Vision Gaming and Development, Inc., a corporation of Massachusetts, having a place of business at 42 Irving Street, Medford, Massachusetts, 02155, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in the patents and applications for patent described in Attachment A hereto, and in and to any and all improvements which are disclosed in said patents and said applications for patent, and in and to all divisional, continuing, substitute, renewal, reissue, and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive patents for said improvements in its own name; and that, when requested, without charge to it but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, and representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned and that full right to convey the same as herein expressed is possessed by the undersigned.
