DECLARATION OF JUNG-WOO JANG

I, Jung-Woo Jang, declare:

1. I am the inventor of a collapsible tent frame, which was patented in the Republic of Korea on May 23, 1997. I make this declaration with respect to the United States Patent Nos. 5,944,040, 5,794,640 and 6,152,175 (hereinafter collectively referred to as "the Patents"). I know the facts stated herein to be true of my own personal knowledge, and if called upon to testify as a witness, I could and would competently do so.

2. In or about February 1997, I retained the law firm of Griffin & Szipl, P.C. in Arlington, Virginia, to obtain United States Patents for my Korean patents. As such, Griffin & Szipl, P.C. were in control of, and had access to, certain proprietary information relating to these patents, as well as information concerning my business intents in the United States. My business relationship with Griffin & Szipl concluded when the Patents were obtained.

3. In or about March 2002, I became aware that Caravan Canopy International, Inc. (hereinafter referred to as "Caravan") had begun asserting ownership of the Patents by virtue of several suspicious looking assignments beginning in March 2001 and concluding in January 2002. Upon a further review of the original assignment of the Patents filed by Griffin & Szipl, P.C., I noticed that my signature was forged on the assignment to Caravan. Not only that, I apparently received only \$10.00 for this alleged assignment. What followed thereafter was an assignment by Caravan to Dong Tack Suh for \$10.00, and from Dong Tack Suh back to Caravan, which resulted in the payment of \$50,000 by Caravan Canopy International, Inc. to Dong Tack Suh (residing in Korea) for the Patents.

4. At no time whatsoever, did I transfer, assign, bequeath, sell, promise, or in any manner or fashion give up my rights to the Patents.

5. Based on my sworn declaration that the Patents were not assigned by me, and that the assignment of the Patents were by forgery and fraud, I request the Patents be assigned back to me.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
