ASSIGNMENT

WHEREAS, we, **William Frank Hackenberger**, a citizen of the United States of America, residing at 707 University Avenue, Los Altos, California 94022; **Randy Jay Hendry**, a citizen of the United States of America, residing at 4606 Sidlaw Court, San Jose, California 95136-1973; and **Christopher James Wood**, a citizen of the United Kingdom, residing at 7 Epping Close, Reading, Berkshire, UK RF17YD; have invented certain inventions and improvements disclosed in an application for Letters Patent entitled “**Method and System for Implementing Security Devices in a Network**”, the specification of which is attached hereto; and

WHEREAS, **Internet Security Systems**, a corporation of the State of Georgia having a principal place of business at 6303 Barfield Road, Atlanta, GA 30328, is desirous of acquiring an interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, **William Frank Hackenberger**, **Randy Jay Hendry**, and **Christopher James Wood**, by these presents do sell, assign and transfer unto **Internet Security Systems**, the full, exclusive and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof, to **Internet Security Systems** as the assignee, for its interest and for the sole use and benefit of **Internet Security Systems** and its assigns and legal representatives;

For the same consideration, we, by these presents do sell, assign, and transfer to **Internet Security Systems**, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in

countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **Internet Security Systems**, or its designee insofar as permitted by applicable law.

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Internet Security Systems**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
