For value received, we,

Nathan Bryant Baker and Christopher Alan Huey,
citizens of the United States,

who reside at:

16765 SW Jordan Way
Tigard, Oregon 97224, and

22365 NW Pihl Road
Banks, Oregon 97106, respectively,

hereby sell, assign and transfer to Metro One Telecommunications, Inc., a corporation of the State of Oregon, having an office at 11200 Murray Scholls Place, Beaverton, Oregon 97007, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States, in and to certain inventions related to TECHNIQUE FOR ENHANCED INFORMATION ASSISTANCE CALL ROUTING described in an application for Letters Patent of the United States, executed by me of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Metro One Telecommunications, Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Metro One Telecommunications, Inc. to make application for such protection in its own name and maintain such protection in the United States and in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Metro One Telecommunications, Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Metro One Telecommunications, Inc. in the United States and in any and all countries foreign to the United States, or to such nominees as Metro One Telecommunications, Inc. may designate.

We agree that, when requested, we shall, without charge to Metro One Telecommunications, Inc., sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
